The OAP Plus Copay and the OAP HDHP plans offer in and out-of-network benefits, providing you the freedom to choose any provider. However, you will pay less out of pocket when you choose a Cigna in-network provider. Find a Cigna in-network provider by visiting my.cigna.com.

The table below summarizes the key features of the medical plans. The coinsurance amounts reflect the percentage you pay after the deductible is met.

If you enroll one or more family members, each family member must meet their individual deductible. Plan deductible counts toward your out-of-pocket maximum. After each eligible family member meets their individual out-of-pocket maximum, the plan will pay 100% of their covered expenses. Or, after the family out-of-pocket maximum has been met, the plan will pay 100% of each eligible family member's covered expenses. If you use an out-of-network provider, you are subject to a separate deductible/out-of-pocket maximum and you will be responsible for any charges above the maximum allowed amount.

HEALTH SAVINGS ACCOUNT (HSA)

An HSA is a personal savings account that you can use to pay for out-of-pocket health care expenses with pre-tax dollars. The City's HSA is available through Home Loan State Bank hlsb.com.

REQUIREMENTS

- Must be enrolled in the High-Deductible Health Plan (HDHP)
- Must contribute a minimum of \$750 annually

The City of Grand Junction will contribute money into your HSA twice per plan year. The first contribution will be made in January and the second contribution will be made in July.

- If you are enrolled in an Employee only HDHP, the City will contribute \$750 annually.
- If you are enrolled in the Employee + 1 or Family HDHP, the City will contribute \$1,500 annually.

TRIPLE-TAX ADVANTAGE

- Pre-tax contributions, if applicable, reduce your taxable income
- Tax-deferred earnings (including interest earned)
- Tax-free distributions for qualifying medical expenses

2026 IRS HSA CONTRIBUTION MAX

(including the City's contributions)

- Employee only: \$4,400
- Employee +1 or more dependents: \$8,750
- Employees age 55+ by 12/31/2026 may contribute an additional \$1,000 to their HSA

HSA ELIGIBILITY

- You are not covered by a non-HSA plan, Health Care FSA, or health reimbursement arrangement
- You are not eligible to be claimed as a dependent on someone else's tax return
- You are not enrolled in Medicare or TRICARE for Life
- You have not received Veterans Administration Health Benefits in the last three months

PAYING FOR QUALIFIED MEDICAL EXPENSES

You can use your accrued HSA funds for eligible expenses for yourself, your spouse and eligible dependents even if they are not covered on your High Deductible Health Plan (HDHP).

ELIGIBLE EXPENSES

Eligible expenses include deductibles, office visits, dental expenses, eye exams, prescriptions, eye surgery, and hearing aids. Keep all your receipts in case you have to verify the eligibility of an expense.

A complete list of eligible expenses can be found at: irs.gov/pub/irs-pdf/p502.pdf.

ACCESSING YOUR HSA FUNDS

Two easy ways to access your HSA money:

- Checks (\$10 discount off your 1st box of checks)
- Debit card (free for first year, then \$5 annual fee per year following)

AN HSA IS AN INDIVIDUALLY-OWNED ACCOUNT

- You own and administer your HSA even if you change health plans, retire, or change your place of work
- There is no "use it or lose it" rule
- You can change your contribution amount throughout the year

If you open an account through an institution other than Home Loan State Bank, the City of Grand Junction cannot deduct pre-tax contributions from your paycheck; you will need to make post-tax contributions directly to the institution and take an "above the line" deduction on your federal income tax filing for any amounts you contribute to your HSA.

IMPORTANT:

If you fund an HSA, you cannot contribute pre-tax dollars to the traditional health care flexible spending account. If your spouse participates in a health care FSA, you are not eligible to contribute to an HSA. The IRS prohibits the funding of both account types within a single household.

FLEXIBLE SPENDING ACCOUNTS (FSA)

The City of Grand Junction offers three Flexible Spending Account (FSA) options; the Health Care FSA, Limited Purpose Health Care FSA and the Dependent Care FSA. All allow you to pay for eligible expenses with pre-tax dollars.

The FSAs are administered by Rocky Mountain Reserve. Log in to your account at rockymountainreserve.com to view account balance(s), calculate tax savings, view eligible expenses, download forms, view transaction history, and more.

HOW DOES AN FSA WORK?

1. Choose how much to contribute:
 - Healthcare/Limited Purpose FSA: For the 2026 benefit year you can contribute between \$120 - \$3,400. Please Note: These limits may change if updated by the IRS.
 - Dependent Care FSA: For the 2026 benefit year, you can contribute up to \$7,500 if married filing jointly, single or head of household. If married filing separately, each spouse may contribute up to \$3,750.
2. Your annual election(s) will be divided evenly, on a pre-tax basis, across 26 paychecks per year (or the remaining paychecks if you are hired mid-year).
3. You will receive a debit card from Rocky Mountain Reserve which can be used for eligible FSA expenses.
4. If you do not use your debit card, submit a claim form, bill or itemized receipt. Keep all your receipts in case Rocky Mountain Reserve requires you to verify the eligibility of a purchase.

DEPENDENT CARE FSA

The Dependent Care FSA allows you to set aside money from your paycheck on a pre-tax basis for day care expenses. Eligible Dependents:

- Children under 13 years of age
- Child over 13, Spouse or Elderly Parent residing in your house who is physically or mentally unable to care for themselves

Eligible Expenses:

- Before and after school care
- Day Care Centers (must hold Federal Tax ID#)
- Summer Day Camps
- In-home babysitting (income must be reported by your care provider)
- Pre-School/Nursery School

HEALTH CARE FSA

(not available if you fund an HSA)

The Health Care FSA allows you to set aside money from your paycheck on a pre-tax basis to pay for eligible out-of-pocket expenses, such as deductibles and copays. You can also spend FSA funds on prescription medications, hearing aids, therapy and more. The FSA Store fsastore.com also carries FSA-eligible products to purchase.

LIMITED-PURPOSE HEALTH CARE FSA

(for HSA Participants)

If you enroll in the HDHP/HSA medical plan, you may only participate in a Limited-Purpose Health Care FSA. This type of FSA allows you to be reimbursed for eligible dental, orthodontia, and vision expenses while preserving your HSA funds for eligible medical expenses.

Note: If a member moves from a Healthcare FSA to a HDHP/HSA plan, any unused funds will need to be moved into a Limited Purpose Health Care FSA in order to open up and contribute to an HSA bank account.

You can incur expenses through March 15, 2027, and must file claims by March 31, 2027 on either Healthcare FSA plan. Unused funds will NOT be returned to you or carried over to the following year.

A complete list of eligible expenses can be found at: www.irs.gov/forms-pubs/about-publication-502.

Things to consider before contributing to an FSA:

- Be sure to fund the accounts wisely as the IRS requires you to forfeit any unused funds left in your account at the end of the year
- You cannot take income tax deductions for expenses you pay with your FSA(s)
- You cannot stop or change your FSA contribution(s) during the plan year unless you experience a qualifying life event

DENTAL INSURANCE PLAN

The City of Grand Junction offers a dental insurance plan through Delta Dental. This plan allows you the freedom to choose any provider. However, you will pay the least amount out-of-pocket when you choose a Delta Dental PPO provider. Delta Dental Premier providers are also in-network, guaranteeing no balance billing. However, the cost for service may be higher than the PPO plan. Locate a Delta Dental network provider at www.deltadentalco.com.

The benefit chart below shows the amounts that you would pay for services as a Delta Dental member.

	In-Network / Out-of-Network
	PPO NETWORK / PREMIER NETWORK
PLAN YEAR DEDUCTIBLE	\$25 individual / \$75 family
PLAN YEAR BENEFIT MAX	\$5,000
