

## ADDENDUM NO. 1

**Date:** January 15, 2026

**From:** City of Grand Junction Purchasing Division

**To:** All Proposers

**RE:** Private Ash Tree Assistance Services, IFB-5769-26-KF

Proposers responding to the above-referenced solicitation are hereby advised that certain requirements have been **clarified, modified, or supplemented** as of the date of this Addendum, as outlined below.

Please take note of the following:

1. **Question:** Can the City provide an estimate of the number of trees/acres that will be treated during the performance period?

**Answer:** The City cannot provide an estimate of the number of trees or acres to be treated. Program participation is homeowner-driven, and the volume of applications is unknown. The City will authorize Work only as funding allows, and Contractor compensation is limited by the annual Not-to-Exceed (NTE) amount identified in Section 3.4.3. No minimum or maximum quantity of Work is guaranteed. Bidders shall base pricing on the unit price per inch DBH stated in Section 4.0 of the Price Bid Schedule and acknowledge that Work will be authorized only until the annual NTE amount is exhausted.

This addendum amends the original solicitation for the referenced project as outlined above. All other terms and conditions of the solicitation remain unchanged.

Proposers must acknowledge receipt of this addendum by completing the acknowledgment section on the **Solicitation Response Form** (Section 7.0).

Thank you for your attention to this matter.

Respectfully,

A handwritten signature in blue ink, appearing to read "Kathleen Franklin".
