

Purchasing Division

ADDENDUM NO. 3

DATE: April 15, 2026
FROM: City of Grand Junction Purchasing Division
TO: All Offerors
RE: 2026 Contract Street Maintenance – Riverside Parkway Repairs IFB-5897-26-DD

Offerors responding to the above referenced solicitation are hereby instructed that the requirements have been clarified, modified, superseded, and supplemented as to this date as hereinafter described.

Please make note of the following questions/answers/clarifications:

1. Question: Concerning the Asphalt Mix used on the 2026 Contract Street Maintenance-Riverside Parkway Repairs. There is a discrepancy between the Specifications and the Bid Schedule. Page 36 of the specs shows that a 75 Gyration Mix shall be used for the Mix Design. The bid schedule says that a 100 Gyration Mix is wanted.

Answer: A 100 Gyration Mix Design is desired for Riverside Parkway to match the existing pavement sections as originally constructed. Special Provision 4, Table 403-1 is hereby amended as such to refer to a Lab Compaction (Revolutions): N (design) Value of 100.

The original solicitation for the project noted above is amended as noted. All other conditions of the subject remain the same.

Respectfully,

A handwritten signature in blue ink that reads "Dolly Daniels".
