The Artist specifically agrees that the City, and its commissions, agents, divisions, employees and officials may, without further approval from or compensation to the Artist, reproduce the Artwork graphically, in photographs, drawings, or computer-generated images for any City business, including advertising, promotions, visitor and convention activities, and economic development activities. The City agrees that whenever appropriate such graphic

reproductions of the Artwork will include the Artist's name, in such a manner and location as will comply with U. S. copyright law.

- B. The City acknowledges the existence of a 1990 federal law regarding Artist's rights which limits the City's unilateral ability to modify the Artwork without advance notice to the Artist; however, the Artist agrees that the Artwork, and all components and elements thereof, are the property of the City. The Artist agrees that after the warranty period described in 6.D. expires, the City has the right to unilaterally, without Artist's knowledge or consent, repair, remove, relocate, replace, sell, or store the Artwork. While it is the City's intent to permanently retain and maintain the Artwork as described herein, over time future citizens and City Councils may determine that the City should remove it or otherwise dispose of the Artwork, and the City reserves that right. If the City alters, modifies, or changes the Artwork, it will not thereafter represent the altered work as that of the Artist without their consent.
- C. The Artist agrees to indemnify and hold the City harmless from any and all liability arising out of the Artist's violation or claim of violation by any person of any copyright or trademark infringement whether or not such claim(s) or suit(s) is(are) frivolous.

ARTICLE 8. INDEMNIFICATION

The Artist will indemnify and hold the City harmless from all loss and liability (including attorney's fees, court costs, and all other litigation expenses) for any infringement of the patent rights, copyright, trademark, and all intellectual property claims of any person or persons in consequence of the City's acceptance of the Artists work or the use by the City, or any of its officers or agents, of articles or services supplied in the performance of the Agreement, whether or not such claim (s) is (are) frivolous.

ARTICLE 9. DEATH OR INCAPACITY

If the Artist becomes unable to complete the terms of this Agreement due to death or incapacitation, such death or incapacitation will not be considered a default of this Agreement on the part of the Artist; however, upon the happening of death or incapacity of the Artist, the City is not obligated to proceed with this Agreement.

In the event of incapacity, the Artist may assign the Artist's obligations and services under this Agreement to another artist of his choosing, but only with written approval of the City. Alternatively, the City may terminate this Agreement.

In the event of the death of the Artist, this Agreement shall terminate. The Artist's executor shall deliver the Artwork, in whatever form and degree of completion it may be at the time, to the City, along with all materials and supplies purchased for the Artwork' fabrication, if not yet completed. The City has the right to have the Artwork completed, fabricated,

delivered, and installed by another artist or fabricator of their choosing; however, the Artist's heirs shall retain the copyright to the Artwork and all rights under Article 8.

ARTICLE 10. TERMINATION OF AGREEMENT

The City may terminate this Agreement if the Artist fails without cause to complete, deliver, and install the Artwork as stipulated in this Agreement. The exercise of a right to termination under this section shall be in writing and set forth the grounds for termination. If this Agreement is terminated under this section, the Artist is entitled to retain a 10% fee out of the initial 50% paid to them when the Agreement was executed but shall return to the City all other compensation paid to them under the terms of this Agreement within 30 days of the date of termination. If the Artist fails to return said City funds, the City shall have the right to take possession of the Artwork, in whatever form and degree of completion it may be at the time, and all materials and supplies purchased and obtained by the Artist for the Artwork, and the City has the right to have the Artwork completed, fabricated, delivered, and installed by another artist or fabricator of their choosing.
