RE: 3919.00

To Whom it May Concern:

We have reviewed the Application for Exemption from Audit of Horizon Drive Association Business Improvement. Based on our review, the December 31, 2025 Application for Exemption from Audit has been approved. We noted the following items that we believe deserve your attention:

The amount listed as January 1st fund balance does not match the previous Application's amount listed as December 31st fund balance. This amount should be obtained from the fund balance line from the prior year's Application or financial statements.

The December 31st fund equity amount recorded on the operating statement does not equal the amount recorded on the balance sheet for the General Fund. Please ensure that these amounts are recorded properly in future Applications.

If we may be of any assistance to you, please feel free to call us at 303-869-3000. For further resources visit our web site at: https://leg.colorado.gov/agencies/office-state-auditor/local-government

Courtesy Comment - GASB Statements No. 103 & 104:

The Governmental Accounting Standards Board (GASB) issued two statements effective for fiscal years ending June 30, 2026 and December 31, 2026 that may have a significant impact on governments' financial reporting.

GASB Statement No. 103, Financial Reporting Model Improvements and **GASB Statement No. 104, Disclosure of Certain Capital Assets**, are both effective for your fiscal year ending December 31, 2026.

GASB Statement No. 103, Financial Reporting Model Improvements:
This statement is a significant update to the financial reporting model, including enhanced guidance for the management's discussion and analysis (MD&A) and required changes in subtotals for operating income/loss in proprietary fund statements. It also requires budgetary comparison schedules to be presented as required supplementary information.

GASB Statement No. 104, Disclosure of Certain Capital Assets:
This standard aims to improve transparency by requiring separate disclosure of lease assets and intangible right-to-use assets recognized under GASB Statement No. 87 - Leases, GASB Statement No. 96 - Subscription Based Information Technology Arrangements, and GASB Statement No. 94 - Public-Private and Public-Public Partnerships and Availability Payment Arrangements by major asset class, as well as additional disclosures for capital assets held for sale.

We would encourage you to review the requirements for applicability for your government's financial statements. For the original pronouncements, please visit the GASB's website, https://www.gasb.org/

Application for Exemption From Audit
Long Form

Instructions

For local governments with either revenues or expenditures/expenses more than $200,000 but not more than $1,000,000

Under the Local Government Audit Law (Section 29-1-601, et seq., C.R.S.), any local government may apply for an exemption from audit if neither revenues nor expenditures exceed $1,000,000 for the year.

Exemptions from audit are **NOT** automatic

To qualify for exemption from audit, a local government must complete an Application for Exemption from Audit **each year** and submit it to the Office of the State Auditor (OSA). Approval for an exemption from audit is granted only upon the review by the OSA.

Any preparer of an Application for Exemption from Audit — Long Form must be a person skilled in governmental accounting.

Read **ALL** instructions before completing and submitting this form

All applications must be filed with the OSA **within 3 months** after the accounting year-end.

For example, applications must be received by the OSA on or before March 31 for governments with a December 31 year-end. Applications for exemption from audit are not eligible for an extension of time.

Governmental activity should be reported on the modified accrual basis. Proprietary activity should be reported on a cash or budgetary basis.

Important!

All Applications for Exemption from Audit are subject to review and approval by the Office of the State Auditor.

Governmental Activity should be reported on the **Modified Accrual Basis.** Proprietary Activity should be reported on the **Cash or Budgetary Basis** — a budget to GAAP reconciliation is provided in Part 3B.

Failure to file an application or denial of the request could cause the local government to lose its exemption from audit for that year and the ensuing year. In that event, an audit shall be required.

Postmark dates will not be accepted as proof of submission on or before the statutory deadline

Prior year forms are obsolete and will not be accepted.

Applications must be fully and accurately completed. Applications submitted on forms other than those prescribed by the OSA will not be accepted.

For your reference, the Colorado Revised Statutes are available through the LexisNexis Colorado portal.
