

ADDENDUM NO. 1

DATE: July 9, 2026
FROM: City of Grand Junction Purchasing Division
TO: All Offerors
RE: Compressed Natural Gas (CNG) Compressor Replacement RFP-5944-26-DD

Offerors responding to the above referenced solicitation are hereby instructed that the requirements have been clarified, modified, superseded and supplemented as to this date as hereinafter described.

Please make note of the following clarifications:

1. **Question:** When is the anticipated Notice to Proceed Date?
Answer: The City will work with the contractor to establish a schedule and issue a Notice to Proceed based on material availability and install.
2. **Question:** Has the specific compressor been ordered?
Answer: No, the Contractor will be responsible for procuring the compressor and all necessary components.
3. **Question:** Who is responsible for the procurement of the compressor?
Answer: The Contractor
4. **Question:** Are there any as built drawings available for review?
Answer: Yes, these will be issued via an Addendum following the Pre-Bid Site Visit
5. **Question:** What level of engineering has been done for this project?
Answer: There has been no engineering done for this replacement project.
6. **Question:** Is the contractor to include engineering in the scope, schedule, and price?
Answer: Yes, to the extent that engineering is needed.
7. **Question:** Do temporary works or bypasses need to be considered to keep the existing CNG fueling station online during construction?
Answer: Bypasses are already built into the existing system.
8. **Question:** What additional permanent piping upgrades are anticipated to support the new compressor?
Answer: There is no additional permanent underground piping needs anticipated

The original solicitation for the project noted above is clarified as noted. All other conditions of the subject remain the same.

Respectfully,

Dolly Daniels, Senior Buyer
City of Grand Junction, Colorado
