Meeting Minutes

1. Approval of April Minutes

The Committee reviewed the minutes. Maureen moves to adopt the amended March minutes. Stephen seconds, unanimous approval.

Action Items

1. Letter of Support – SS4A

Eric discussed the City's intention to apply for the 2026 Safe Streets for all Grant and asked the UTC for a letter of support. Athena made a motion to provide a letter of support. Brooke seconded. Unanimous approval.

2. Letter of Support – Riverfront Trail

Trent discussed the City's intention to apply for the 2026 GOCO grant. Athena made a motion to provide a letter of support. Maureen seconded. Unanimous approval.

Discussion Items

1. Better Block University

Eric led a discussion that this opportunity had been discussed last year and some UTC and staff had applied for scholarships. There was additional interest expressed from UTC this year. However, this year there are no scholarships available for anyone outside of North Texas. Since the cost of this course is \$5000 per person, plus airfare, the City does not have the available budget to support this.

Updates

1. Infrastructure Priorities List

Eric updated UTC that the infrastructure priorities list will be distributed in the next couple of weeks. Since the current UTC roster will turnover in July, all votes must be in for a final vote at the June meeting. Please look for this email and prioritize time to rank the list.

Other Business

Brent asked if there is any update on the interim status of Eric's liaison status.

Trent – not at this time

Trent gave an update on the status of projects the City is currently undergoing

Diana gave an update on Bike Counts – great success.
