

ADDENDUM NO. 1

DATE: August 10, 2026
FROM: City of Grand Junction Purchasing Division
TO: All Offerors
RE: Automated BOD Instrument IFB-5952-26-KN

Offerors responding to the above-mentioned solicitation are hereby instructed that the requirements have been clarified, modified, superseded and supplemented as to this date as hereinafter described.

Please make note of the following clarifications:

1. **Q:** Reviewing IFB-5952-26-KN, Price Bid Schedule Item 1 lists a quantity of 75 EA for the Fully Automated BOD Analysis System. Given the scope describes a single system for the Persigo Lab, can you confirm whether 75 EA is correct for Item 1, or if this should reflect a different quantity (e.g., 1 system)?

A: The correct quantity is one (1) system. Please see the revised Price Bid Schedule.
2. **Vendor shall utilize the revised addendum one version of the price bid schedule when submitting a bid.**

The original solicitation for the project noted above is amended as noted.

All other conditions of subject remain the same.

Respectfully,

Kassy Nelson, Buyer
City of Grand Junction, Colorado
