

ADDENDUM NO. 1

DATE: October 8, 2026
FROM: City of Grand Junction Purchasing Division
TO: All Offerors
RE: Mid-Size Sport Utility Vehicle (Qty. 2) IFB-5995-26-KN

Offerors responding to the above-mentioned solicitation are hereby instructed that the requirements have been clarified, modified, superseded and supplemented as to this date as hereinafter described.

Please make note of the following clarifications:

1. **Q:** Are you looking to lease these units or purchase directly from a dealer?

A: The City intends to purchase the two (2) vehicles directly from the awarded dealer(s). This solicitation is for an outright purchase, not a lease.

2. **Q:** When you say Mid-sized SUV do you mean something Nissan Rogue sized or Pathfinder sized or something in between like a Murano?

A: The City is looking for mid-size AWD SUVs comparable in size to a Nissan Murano or Nissan Pathfinder. Vendors are encouraged to submit pricing for multiple vehicle models and sizes, as the City may elect to purchase one of each size based on operational needs. The City reserves the right to award to different vendors or select different models rather than purchasing two identical vehicles.

3. **Q:** How many seats are needed on the vehicle? (5 seats on Rogues, 7 or 8 Seats on the Pathfinder?)

A: Five (5) passenger seating is acceptable. A third row is not required; however, vehicles with additional seating will also be considered, provided they meet the specifications outlined in the solicitation.

4. **Q:** Was there anything else needed on the vehicle? (Feature wise or do you just need the cheapest version of the vehicle)

A: The City does not require a specific trim level beyond what is outlined in Section IV, Specification/Compliance Form, of the solicitation. Vendors should propose the most economical configuration that meets or exceeds all listed specifications. The City is requesting pricing for a gasoline engine option, along with optional hybrid pricing if available.

5. **Q:** Do you need a specific color?

A: Per Section IV of the solicitation, acceptable exterior colors are silver, gray, or an earth tone. Vendors shall identify the proposed exterior color in their bid response.

6. **Q:** How quickly will you be getting a check cut after the closing date of the Bid request?

A: The solicitation currently anticipates Purchase Order execution on October 23, 2026. However, payment will not be issued immediately following the bid closing or award. The City's standard payment terms are Net 30 days, and final payment will be processed after the vehicles have been delivered, inspected, accepted, and all contract and specification requirements have been satisfied.

The original solicitation for the project noted above is amended as noted.

All other conditions of subject remain the same.

Respectfully,
