CITY OF Grand Junction COLORADO

Purchasing Division

ADDENDUM NO. 1

DATE: **November 13, 2026**
FROM: **City of Grand Junction Purchasing Division**
TO: **All Offerors**
RE: **Roll Off Containers with Drivers for City Recycling Drop Off IFB-6005-26-KN**

Offerors responding to the above referenced solicitation are hereby instructed that the requirements have been clarified, modified, superseded and supplemented as to this date as hereinafter described.

Please make note of the following clarifications:

1. **Q:** What is the City's intent for listing Republic Transfer Station as a designated processing facility?

   A: The City has determined that the Republic Transfer Station should be removed from the list of designated processing facilities. The City intends to designate only the City's Materials Recovery Facility (MRF) as the approved processing destination for this contract. The City anticipates the MRF will begin accepting materials in December 2026.

   Bidders shall submit their pricing using the revised Price Bid Schedule issued with this Addendum. All pricing shall reflect the updated designated processing facility requirements.

2. **Q:** Is the City assuming all drop off processing fees for the hauls being transferred? Or should the bidders assume processing drop off fees will need to be added to the cost of the hauls? If the City is charging processing fees, what is the fee per ton?

   A: The City will be responsible for all applicable processing/tipping fees. Bidders shall not include these fees in their proposed hauling rates. Instead, the Contractor shall pass through the actual processing/tipping fees to the City as a separate, itemized expense, without any additional markups, administrative fees, or per-ton surcharges.

   The processing/tipping fees for the City's new Materials Recovery Facility (MRF) have not yet been established or published. Therefore, a per-ton rate is not available at this time.

3. The following shall be added to the terms and conditions of this contract:

   Public Disclosure Notice: Pursuant to the Colorado Open Records Act (CORA), all materials submitted in response to this solicitation shall be considered public records and may be subject to public disclosure, except for information specifically designated as confidential, proprietary, or trade secret by the Proposer, and only to the extent permitted by law. Proposers shall comply with the confidential-material submission requirements stated in Section 2.37. Upon award and execution of a contract, the solicitation file, including all responsive proposals,

shall be available for public inspection in accordance with CORA and upon receipt of an Open Records Request. This includes proposals submitted by the non-awarded Proposer(s). Public disclosure is also subject to the applicable provisions of CORA in the event the solicitation or resulting project is canceled.

The original solicitation for the project noted above is amended as noted.

All other conditions of subject remain the same.

Respectfully,

Kassy Nelson, Buyer
City of Grand Junction, Colorado

ADDENDUM ONE PRICE BID SCHEDULE: IFB-6005-26-KN Roll Off Containers w/ Drivers for City Recycling Drop Off

Instructions: Bidders shall provide a per-haul price for each roll-off container size they are able to supply. Bidders are not required to offer all container sizes. For any container size not available, bidders shall enter "N/A" in the applicable pricing fields.

For each container size offered, bidders shall provide separate per-haul pricing for both designated recycling processing facilities. All pricing shall be all-inclusive in accordance with the requirements of this solicitation.

The City reserves the right to award individual container size, multiple container sizes, or a combination thereof, based on the City's operational needs and the lowest responsive and responsible bid(s).
