containing 225.0 square feet as described herein and as depicted on Exhibit "A" attached hereto and incorporated herein by reference.

TO HAVE AND TO HOLD unto the said Grantee, its successors and assigns forever, together with the right to enter upon said premises, to survey, maintain, operate, repair, replace, control and use said Utilities Easement, and to remove objects interfering therewith, including the trimming of trees and bushes as may be required to permit the operation of standard utility construction and repair machinery, subject to the terms and conditions contained herein.

1. Grantors shall have the right to use and occupy the real property burdened by this easement for any lawful purpose which is not inconsistent with and which will not interfere with the full use and quiet enjoyment of the rights herein granted; provided, however, that Grantors hereby covenant with Grantee that the easement area shall not be burdened or overburdened by the Grantors erecting or placing any improvements or structures thereon which might act to prevent reasonable ingress and egress for workers and equipment on, along, over, under, through and across the easement area.
2. Grantee agrees that the work and act of installing, maintaining and repairing utilities and related appurtenances and facilities shall be performed with due care using commonly accepted standards and techniques.
