GRANT OF MULTI-PURPOSE EASEMENT

BOOK 2788 PAGE 301

NEGJLAND INVESTORS, INC., a Colorado corporation, Grantor, for and in consideration of the sum of Ten and 00/100 Dollars (\$10.00), the receipt and sufficiency of which is hereby acknowledged, has granted and conveyed, and by these presents does hereby grant and convey to the City of Grand Junction, a Colorado home rule municipality, Grantee, whose address is 250 North 5th Street, Grand Junction, Colorado 81501, three (3) Perpetual Multi-Purpose Easements for the use and benefit of Grantee and for the use and benefit of the Public Utilities, as perpetual easements for the installation, operation, maintenance, repair and replacement of utilities and appurtenances related thereto, including, but not limited to, electric lines, cable television lines, natural gas pipelines, sanitary sewer lines, water lines, telephone lines, storm drainage facilities, and also for the installation, operation, maintenance, repair and replacement of traffic control facilities, street lighting and grade structures, on, along, over, under, through and across the following described parcels of land, to wit:

See Exhibit "A" attached hereto and incorporated herein by reference.

TO HAVE AND TO HOLD unto the said Grantee, its successors and assigns forever, together with the right of ingress and egress for workers and equipment to survey, maintain, operate, repair, replace, control and use said Easements, and to remove objects interfering therewith, including the trimming of trees and bushes as may be required to permit the operation of standard utility construction and repair machinery, subject to the terms and conditions contained herein.

1. Grantor shall have the right to use and occupy the real property burdened by these Easements for any lawful purpose which is not inconsistent with and which will not interfere with the full use and quiet enjoyment of the rights herein granted; provided, however, that Grantor hereby covenants with Grantee that the Easement areas shall not be burdened or overburdened by the installation, construction or placement of any structures or any other item or fixture which might be detrimental to the public utilities and facilities situate therein, or which might act to prevent reasonable ingress and egress for workers and equipment on, along, over, under, through and across the Easement areas.

2. Grantor hereby covenants with Grantee that it has good title to the aforescribed premises; that it has good and lawful right to grant these Easements; that it will warrant and forever defend the title and quiet possession thereof against the lawful claims and demands of all persons whomsoever.

Executed and delivered this 25th day of February, 2000.
