

Grand Junction Forestry Advisory Board
Unofficial Minutes

December 5, 2013
Parks Operations Building
2529 High Country Ct, Grand Junction, CO 81501

Roll Call

Board Members Present: Kamie Long
 Richard Edwards
 Charles Thompson

Parks & Recreation Staff Present: Tom Ziola, Forestry Supervisor

Discussion:

Charles Thompson stated that the December 2nd presentation was great and focused on information pertinent to the Grand Valley and geared toward tree professionals.

Richard Edwards stated that CEU's should be offered in the future for Forestry License educational classes.

Kamie Long stated that there should be a title for field employees such as Tree Technician A/B/C given to licensed individuals and to also give them a license card. Mrs. Long asked the Forestry Board to work on the "Forestry Training Program" document for licenses. Mrs. Long will update the mtest to add Emerald Ash Borer.

Chuck Thompson asked what happens if tree care providers do not pass the test. Mr. Ziola stated that they would need to take the test over with no charge.

Respectfully submitted,
Tom Ziola
