### DEVELOPMENT IMPROVEMENTS AGREEMENT

1. **Parties:** The parties to this Development Improvements Agreement ("Agreement") are <u>Crystal Brooke</u>, <u>LLC</u>, ("Developer") and the **City of Grand Junction**, Colorado ("City").

For valuable consideration, the receipt and adequacy of which is acknowledged, the Parties agree as follows:

2. **Effective Date:** The Effective Date of the Agreement shall be the date that it is signed by the Public Works & Planning Director, which shall be no sooner than recordation of the final plat or final plan approval whichever first occurs.

### RECITALS

The Developer seeks permission to develop property, described on Exhibit A attached and incorporated by this reference ("the Property" or "Property"). The Property, known as <u>Crystal Brooke Subdivision</u> has been reviewed and approved under Planning file # <u>PFP-2007-030</u> ("Development" or "the Development").

The City seeks to protect the health, safety and general welfare of the community by requiring the completion of various improvements to the Property and limiting the harmful effects of substandard development.

A further purpose of this Agreement is to protect the City from the cost of completing necessary improvements itself; this Agreement is not executed for the benefit of materialmen, laborers or others providing work, services or material to the Developer and/or the Property or for the benefit of the owner(s), purchaser(s) or user(s) of the Property.

The mutual promises, covenants and obligations contained in this Agreement are authorized by state law, the Colorado Constitution and City's land development ordinances and regulations.

### **DEVELOPER'S OBLIGATION**

3. **Improvements:** The Developer shall design, construct and install, at its own expense, those on-site and off-site improvements listed on Exhibit B attached and incorporated by this reference ("Improvements" or "the Improvements").

3a. On and after the Effective Date of this Agreement the Developer agrees to pay the City for its Administration and Inspection of the Development. The hourly rate for those services is \$45.00/hour. Administration and Inspection includes but is not limited to the time expended by the City's planner, engineer, construction inspector and attorney in directing, advising, correcting and enforcing by means other than litigation, this agreement and/or the approved development plan. Making

DIA 2007

disbursements and calling/collecting Guarantees are Administration and Inspection services and shall be charged at \$45.00/hour. See, paragraph 19 concerning attorneys'/litigation fees.

3b. The scope of this project is such that the City may have to engage independent consultants(s) to adequately provide inspection services; Developer agrees to pay such costs, in addition to all others for which Developer is responsible hereunder.

3c. The Developer's obligation to complete the Improvements is and shall be independent of any obligations of the City contained herein.

4. **Security:** To secure the performance of its obligations under this Agreement the Developer shall supply a guarantee. The Developer is required to post security in an amount of \$<u>367,325.44</u> (120% of the amount for the Improvements) in a form and with terms acceptable to the City ("Guarantee"). The Guarantee shall be in the form of a cash deposit made to the City, a letter of credit or a disbursement agreement in a form and with content approved by the City Attorney. The Guarantee specific to this Agreement is attached as Exhibit C and is incorporated by this reference as if fully set forth.

Select one: Cash  $\sqrt{18}$ . Letter of Credit (LOC)  $\frac{3}{2}$  Disbursement Agreement  $\underline{X}$ 

5. **Standards:** The Developer shall construct the Improvements according to the City's standards and specifications.

6. **Warranty:** The Developer shall warrant the Improvements for one year following Acceptance by the City. "Warrant" or "Warranty" as used herein means the Developer shall take such steps and incur such costs as may be needed so that the Improvements or any portion or phase thereof as repaired and/or replaced, shall comply with the Development's construction plans and/or site plan, City standards and specifications at the end of the warranty period. The Developer shall warrant each repaired and/or replaced Improvement or any portion or phase thereof for one year following Acceptance of such repair and/or replacement.

6a. Upon Acceptance the Developer shall provide a Maintenance Guarantee in an amount of <u>\$61,220.91</u> (Line G2, Exhibit B, City Security).

6b. The Maintenance Guarantee shall be secured by a letter of credit, cash escrow or other form acceptable to the City.

7. **Commencement, Completion and Abandonment Periods:** The Developer shall commence work on the Improvements within 30 days from the Effective Date of this Agreement; that date is known as the "Commencement Date."

7a. The Developer shall complete the Improvements by the end of the twelfth month from the Effective Date of this Agreement; that date is known as the "Completion Date."

DIA 2007

7b. The Developer shall not cease construction for any period of more than 60 consecutive days. If construction is ceased for 60 or more consecutive days the Director may deem the Development abandoned ("the Abandonment Period").

7c. The Commencement date and the Completion Date are as follows:

Commencement Date: <u>April 20, 2009</u> Completion Date: <u>April 30, 2010</u>

8. **Compliance with Law:** The Developer shall comply with all applicable federal, state and local laws, ordinances and regulations when fulfilling its obligations under their Agreement. When necessary to protect the public health, safety or welfare, the Developer shall be subject to laws, ordinances and regulations that become effective after the Effective Date.

9. Notice of Defect: The Developer by and through his/her/its engineer shall provide timely written notice to the issuer of the Guarantee and the Director when the Developer and/or his/her/its engineer has knowledge, that an Improvement or any part or portion of any Improvement either does not conform to City standards or is otherwise defective.

9a. The Developer shall correct all non-conforming construction and/or defects within thirty (30) days from the issuance of the notice by his/her/its engineer of a/the defect.

10. Acceptance of Improvements: The City shall not accept and/or approve any or all of the Improvements until the Developer presents a document or documents for the benefit of the City showing that the Developer owns the Improvements in fee simple, or as accepted by the City Attorney, and that there are no liens, encumbrances or other restrictions on the Improvements other than those that have been accepted by the City Attorney.

10a. Approval and/or acceptance of any Improvement(s) does not constitute a waiver by the City of any right(s) that it may have on account of any defect in or failure of the Improvement that is detected or which occurs after approval and/or acceptance.

10b. Acceptance by the City shall only occur when the City Engineer, sends a writing to such effect ("Acceptance").

11. **Reduction of Security:** Upon Acceptance of any Improvement(s) the amount which the City is entitled to draw on the Guarantee shall be reduced by an amount of  $\frac{306,105}{(\text{Line G1, Exhibit B, Total Improvement Costs)}$ .

11a. At the written request of the Developer, the City shall execute a certificate verifying Acceptance of the Improvement and thereafter waiving its right to draw on

the Guarantee to the extent of such amount. A Developer in default under this Agreement has no right to such certification.

12. **Use of Proceeds:** The City shall use funds deposited with it, drawn or guaranteed pursuant to this Agreement only for the purpose of completing the Improvements or correcting defects in or failure of the Improvements or paying Administration and Inspection fees.

13. Events of Default: The following conditions, occurrences or actions shall constitute a default by the Developer:

13a. Developer's failure to complete each portion of the Improvements on or before the Completion Date;

13b. Developer's failure to demonstrate reasonable intent to correct defective construction of any Improvements within the applicable warranty period;

13c. Developer's insolvency, the appointment of a receiver for the Developer or the filing of a voluntary or involuntary petition in bankruptcy respecting the Developer. In such event the City may immediately declare a default without prior notification to the Developer;

13d. Notification to the City, by any lender with a lien on the Property, of a default by Developer on any obligation to such lender. In such event, the City may immediately declare a default without prior notification to the Developer.

13e. With regard to the Property or any portion thereof: initiation of any foreclosure action regarding any lien or encumbrance; or initiation of mechanics lien(s) procedure(s); or assignment or conveyance of the Property in lieu of foreclosure. In such event the City may immediately declare a default without prior notification to the Developer.

13f. Notification to the City from the bank issuing the Guarantee that it will not renew the Guarantee at a time when security is still required hereunder and no substitute collateral acceptable to the City has been provided by the Developer.

13g. Except as provided, the City may not declare a default until written notice has been sent to the Developer at the address shown in the development file. Notice is and shall be deemed effective two calendar days after mailing thereof by first class United Sates mail, postage prepaid.

14. **Measure of Damages:** The measure of damages for breach of this Agreement by the Developer shall be the reasonable cost of satisfactorily completing the Improvements, plus reasonable expenses. Expenses may include but are not limited to contracting costs, collection costs and the value of planning, engineering, legal and administrative staff time devoted to the collection/completion of the Improvements.

For Improvements upon which construction has not begun, the estimated costs of the Improvements as shown on Exhibit B shall be *prima facie* evidence of the minimum cost of completion; however, the maximum amount of the Developer's liability shall not be established by that amount or the amount of the Guarantee.

15. City's Rights Upon Default: When any event of default occurs, the City may draw on the Guarantee or proceed to collect any other security to the extent of the face amount of the Guarantee less eighty percent (80%) of the estimated cost (as shown on Exhibit B) of all Improvements for which the City has given its Acceptance and no warranty work is reasonably required. The City may also exercise its rights to disbursement of loan proceeds or other funds under the City improvements disbursement agreement.

15a. The City shall have the right to complete Improvements itself or it may contract with a third party for completion.

15b. The Developer grants to the City, its successors, assigns, agents, contractors and employees, a nonexclusive right and easement to enter the Property for the purposes of constructing, reconstructing, maintaining, inspecting and repairing the Improvements.

15c. The City may assign the proceeds of the Guarantee or other funds or assets that it may receive in accordance with this Agreement to a subsequent developer or lender that has acquired the Property by purchase, foreclosure or otherwise.

15d. That developer or lender shall then have the same rights of completion as the City if and only if the subsequent developer or lender agrees in writing to complete or correct the Improvements and provides to the City reasonable security for that obligation.

15e. These remedies are cumulative in nature and are in addition to any other remedies the City has at law or in equity.

16. **Indemnification:** The Developer expressly agrees to indemnify and hold the City, its officers, employees, agents and assigns ("City") harmless from and against all claims, costs and liabilities of every kind and nature, for injury or damage received or sustained by any person or entity in connection with or on account of the performance or non-performance of work at the Property and/or the Improvements and/or the Development that is being done pursuant to this Agreement.

16a. The Developer further agrees to aid and defend the City in the event that the City and/or the Improvements is named as a defendant in an action concerning the performance of work pursuant to this Agreement except for a suit wherein the Developer states claim(s) against the City.

16b. The Developer is not an agent, partner, joint venturer or employee of the City.

17. No Waiver: No waiver of any provision of this Agreement by the City shall be deemed or constitute a waiver of any other provision nor shall it be deemed or constitute a continuing waiver unless expressly provided for by a written amendment to this Agreement signed by both the City and the Developer; nor shall the waiver of any default under this Agreement be deemed a waiver of any subsequent default or defaults of the same type. The City's failure to exercise any right under this Agreement shall not constitute the approval of any wrongful or other act by the Developer or the acceptance of any Improvement.

1

18. Amendment or Modification: The parties to this Agreement may amend or modify this Agreement only by written instrument executed on behalf of the City by the City Manager or his designee and by the Developer or his/her/its authorized officer. Such amendment or modification shall be properly notarized before it may be deemed effective.

19. Attorney's Fees: Should either party be required to resort to litigation to enforce the terms of this Agreement, the prevailing party, plaintiff or defendant, shall be entitled to costs, including reasonable attorney's fees and expert witness fees, from the opposing party. The City shall be entitled to claim the value of its in-house attorneys at the rate of \$125.00 per hour. If relief is awarded to both parties the attorney's fees may be equitably divided between the parties by the decision maker.

20. **Vested Rights:** This Agreement does not guarantee, represent or certify that the Developer is entitled to any other approval(s) required by the City, before the Developer is entitled to commence development beyond the scope of this Agreement or to transfer ownership of the Property being developed.

21. Integration: This Agreement, together with the exhibits and attachments thereto constitutes the entire Agreement between the parties. No statement(s), promise(s) or inducements(s) that is/are not contained in this Agreement shall be binding on the parties.

22. **Third Party Rights:** No person or entity who or which is not a party to this Agreement shall have any right of action under or be a beneficiary of this Agreement.

23. **Time:** For the purpose of computing the Abandonment Period and Commencement and Dates, such times in which war, civil disasters or acts of God occurs or exist shall not be included if such prevents the Developer or City from performing its obligations under the Agreement. The Developer must notify the City in writing if/when it asserts impossibility of performance under this paragraph. The City may reject the Developer's assertion, if it finds, in writing that the condition(s) that the Developer asserts do not exist.

24. **Severability:** If any part, term or provision of this Agreement is held by a court of competent jurisdiction to be illegal or otherwise unenforceable, such illegality or unenforceability shall not affect the validity of any other part, term or provision. The

------

rights of the parties shall be construed as if the part, term or provision was never part of the Agreement.

25. **Benefits:** The benefits of this Agreement to the Developer are personal and may not be assigned without the express written approval of the City. Such approval may not be unreasonably withheld but any unapproved assignment is void.

25a. Notwithstanding the foregoing, the burdens of this Agreement are personal obligations of the Developer and also shall be binding on the heirs, successors and assigns of the Developer and shall be a covenant(s) running with the Property.

25b. There is no prohibition on the right of the City to assign its rights under this Agreement.

25c. Upon written request from the Developer the City shall expressly release the original Developer's Guarantee and/or contract obligations if it accepts new security from any developer or lender who obtains the Property, however, no other act of the City shall constitute a release of the original Developer from his liability under this Agreement.

25d. When the City has issued its Acceptance regarding the Improvements, the City agrees to state the same in writing, with appropriate acknowledgments.

25e. The City shall sign a release only after all warranty periods, as extended by litigation, repair or alteration work, have expired.

26. **Notice:** Any notice required or permitted by this Agreement shall be deemed effective two calendar days after deposit with the United States Postal Service, first class, postage prepaid and addressed as follows:

27. **Recordation:** Developer shall pay the costs to record a memorandum of this Agreement (Exhibit D) in the records of the Mesa County Clerk and Recorder's Office. The Developer may, at his/her/its option record the entire agreement.

28. **Immunity:** Nothing contained in this Agreement constitutes a waiver of the City's sovereign or other immunity under any applicable law.

29. **Personal Jurisdiction and Venue:** Personal jurisdiction and venue for any action commenced by either party to this Agreement whether arising out of or relating to the Agreement, the Guarantee, the Maintenance Guarantee or any action based arising out of or under this Agreement shall be deemed to be proper only if such action is commenced in Mesa County, Colorado.

29a. The Developer expressly waives his/her/its right to bring such action in or to remove such action to any other court whether state or federal.

30. Liability before Acceptance: The City shall have no responsibility or liability with respect to any street or other Improvement(s), notwithstanding the use of the same by the public, unless the street or other Improvement shall have received Acceptance by the City.

30a. If the City allows a street to be constructed in stages, the Developer of the first one-half street opened for traffic shall construct the adjacent curb, gutter and sidewalk in the standard location and shall construct the required width of pavement from the edge of gutter on the side of the street nearest the property to enable an initial two-way traffic operation without on-street parking.

30b. Developer shall also construct and pay for end-transitions, intersection paving, drainage facilities and adjustments to existing utilities necessary to open the street to traffic.

30c. The City shall not issue its written Acceptance with regard to any Improvement(s) including any street, storm drainage facility, sewer, water facility or other required Improvement(s), until the Developer:

(i) furnishes to the City Engineer as-built drawings in reproducible form, blue line stamped and sealed by a professional engineer and in computer disk form and copies of results of all construction control tests required by City specification;

(ii) provides written evidence to the City Engineer under signature of a qualified expert that the earth, soils, lands and surfaces upon in and under which the Improvement(s)

DIA 2007

have been constructed or which are necessary for the Improvements are free from toxic, hazardous and other regulated substances or materials;

(iii) provides written evidence to the City Attorney that the title to lands underlying the Improvements are free and clear from all liens and encumbrances, except those items and encumbrances which may be approved in writing by the City Attorney; and (iv) provides written evidence, certified by the Developer's engineer, that the work was systematically inspected and tested and that the materials and the compaction of the materials that are required to be compacted, were in conformance with Cityapproved plans and specifications.

# Tim Moore - Partial release of cash security for Crystal Brooke Subdivision

From:Shelly DackonishTo:Sonya Evans; Tim MooreDate:3/10/2011 11:19 AMSubject:Partial release of cash security for Crystal Brooke SubdivisionCC:Leslie Ankrum

Re: Crystal Brooke Subdivision, Public Works and Planning File # PFP-2007-030

The City is holding \$61,220.91 in security for the Crystal Brooke Subdivision development. We need to release \$5000.00 of that \$61,220.91 security in order to allow the Developer to pay a subcontractor. Please have a check cut for \$5000.00 made payable to Larry Beckner, who is the Developer's attorney.

The Developer has also submitted alternate security in the form of a Deed of Trust on real property. I am in the process of reviewing the documentation and once it has been accepted the City will be releasing the remaining cash security back to the Developer in exchange for the real property security.

Thank you,

OFFICE OF THE CITY ATTORNEY Shelly S. Dackonish, Senior Staff Attorney

CC:	Brian Rusche; Greg Moberg; John Shaver; Rick Dorris; Tim Moore				

Leslie,

In the interest of expediency, I think it is appropriate to deduct the recording fees from the security amount and to issue a check for the balance. Since we have been dealing with Mr. Beckner, the developer's attorney, let's make the check payable to him.

Shelly

>>> Leslie Ankrum 3/28/2011 12:26 PM >>> Shelly,

I received the Deed of Trust for the above referenced DIA security through interoffice mail from Belinda. The fee to record the document will be \$31.00. Before issuing the remainder of the 20% cash security the City is holding for this DIA, I think we should subtract the recording fee and issue Mr. Lederer a check in the amount of \$56,189.91. If Mr. Lederer would prefer, he may write a check to **Mesa County Clerk and Recorder for \$31.00** and we will issue him the full amount of the security, \$56,220.91.

I'll wait to hear from you tomorrow before I record the document.

Thank you,

Leslie Ankrum City of Grand Junction Public Works & Planning Senior Administrative Assistant (970) 244-1438 phone (970) 256-4031 fax

### DEED OF TRUST

THIS DEED OF TRUST is entered into this 3/ day of December, 2010 between Contractor Revocable Trust, U.D.T. hereinafter referred to as the Grantor, a trust duly organized and existing under and by virtue of the laws of the State of Colorado, whose address is c/o Eric Lederer, 120 Ponderosa Drive, Ridgway, 81432, County of Ouray, State of Colorado and the Public Trustee of the County of Ouray, State of Colorado,

Witness that the Grantor, to secure the developer's obligations under that certain Development Improvements Agreement dated 4/20/09 between Crystal Brooke, LLC and the City of Grand Junction and to secure the developer's obligations under that certain Maintenance Guarantee for Crystal Brooke Subdivision, related to Grand Junction Public Works and Planning File # PFP-2007-030, hereinafter referred to as Agreements, in the principle sum of Sixty-One Thousand Two Hundred Twenty and 91/100 Dollars (S61.220.91), hereinafter referred to as the Secured Indebtedness, payable to the Beneficiary, the City of Grand Junction, whose address is 250 North 5<sup>th</sup> Street, Grand Junction, County of Mesa, State of Colorado, does hereby grant and convey unto said Public Trustee the following described property situate in the County of Ouray in the State of Colorado, to wit:

Lot 137, Fairway Pines Estates P.U.D., Filing No. 1

referred to herein as "the Property" or "property."

TO HAVE AND TO HOLD the same, together with all appurtenances, in trust nevertheless, in case of default on the obligations in the Agreements, or any part thereof, or in the performance of any covenants hereinafter set forth, then the Beneficiary may demand the property be sold by filing a notice of election and demand for sale with the Public Trustee. The Public Trustee shall mail and publish a combined notice of sale and grantor's rights in compliance with Colorado law. Such legal notice is to be published as required by law in a newspaper in the county or counties where the property is located. A copy of the combined notice shall be mailed to all persons entitled to receive notice as required by law. It shall then be lawful for the Public Trustee to sell the property at auction for cash, at any proper place designated in the notice of sale. Out of the proceeds of the sale the Trustee shall retain or pay first all fees, charges and costs and all moneys

1

advanced for taxes, insurance and assessments, or on any prior encumbrance, with interest thereon, and pay the principle sum above referenced to the Beneficiary, rendering the overplus, if any, to the Grantor; and the Trustee shall execute and deliver to the purchaser a confirmation deed to the property no later than nine days after the date of sale, or if later, the expiration of all redemption periods and the receipt by the Trustee of all statuary fees and costs. The Beneficiary may purchase the property or any part thereof at such sale.

The Grantor covenants that at the time of the delivery of these presents, Grantor is seized of the property in fee simple, and that the property is free of encumbrances.

The Grantor also covenants that the Grantor will keep all buildings, whether now existing or hereafter constructed, insured with a company approved by the Beneficiary for fire and extended coverage in an amount equal to the Secured Indebtedness with loss payable to the Beneficiary, will deliver a copy of the policy to the beneficiary and will pay all taxes and assessments against the property and amounts due on prior encumbrances. If Grantor fails to pay insurance premiums, taxes and amounts due on prior encumbrances, the Beneficiary may pay the same and all amounts shall become additional indebtedness due hereunder; and in the case of foreclosure, the Grantor will pay attorney's fees of \$1,500.00 for in-house counsel, or the total reasonable attorney's fees charged to Beneficiary by contracted counsel.

Should the Beneficiary be made a party to any action affecting this deed of trust or the title to the property the Grantor agrees that all court costs and reasonable attorney's fees shall become additional indebtedness due hereunder; and the Grantor does hereby waive and release all claims in the property of a homestead exemption or other exemption now or hereafter provided by law.

If all or any part of the property or an interest therein is sold or transferred by the Grantor without Beneficiary's prior written consent excluding (a) the creation of a lien or encumbrance subordinate to this Deed of Trust, (b) the creation of a purchase money security interest for household appliances, (c) a transfer by devise, descent or by operation of law upon the death of a joint tenant, of (d) the grant of any leasehold interest of three years or less not containing an option to purchase, Beneficiary may, at Beneficiary's option, declare all the sums secured by this Deed of Trust to be immediately due and payable. Beneficiary shall have waived such option to accelerate if, prior to the sale or transfer, Beneficiary and the person to whom the property is to be sold or transferred reach agreement in writing that such person will assume all obligations contained in the Agreements secured hereby.

It is agreed that in the case of default of the Grantor on any of the obligations under the Agreements or a breach of any of the covenants herein, then the Secured Indebtedness may at the option of the Beneficiary become due and payable at once, anything in the Agreements to the contrary notwithstanding, and possession of the property will thereupon be delivered to the Beneficiary, and on failure to deliver such possession the Beneficiary shall be entitled to a receiver for the property, who may be appointed by any court of competent jurisdiction.

Grantor will continuously maintain its existence as a Colorado trust as currently constituted.

Grantor shall furnish to the Beneficiary copies of all lease forms to be used to lease any portion of the Property. No such lease form shall be effective without the prior written consent of Beneficiary. Such approval shall not be unreasonably withheld.

All the covenants herein shall be binding upon the respective heirs, personal representatives, successors and assigns of the parties hereto.

Executed the day and year first above written.

Re: 6<sup>n</sup> Irrigation Line Repair in Crystal Brooke Subdivision

Rick,

Attached please find a receipt from Beethree Services, LLC for repair to the above line. I contacted the gentleman that you referred me to, but he was unavailable, so I called Grand Junction Pipe for a referral but they told me to call landscapers. I went through the yellow pages and everyone was either two to three weeks out or did not do this type of repair. Painted Desert Landscaping wanted \$100.00 just for an estimate but still couldn't do the work for a few weeks. Aqua Terra West Landscapers referred me to the above contractor.

I told them I wanted the repair done as soon as possible and they came out Saturday AM to determine the needed parts and said they would come back to do the work. They didn't return until Sunday AM.

I watched them dig back to where the pipe jogs abutting Loma Linda in order to lift the line without breaking the pipe in order to cut the U off (they used a mini-excavator w/ chain to lift the pipe). I let them know it could have wanted until Monday, but they claimed they had other work lined up.

I blew a gasket when I saw the bill so they deducted \$250 for a senior discount. They completely took advantage of me and had I not paid the bill, the situation might have ended up in a lawsuit or lien, which I am not willing to get into. Then I got what for from my son for paying the bill. I can't win.

I am not trying to cheat anyone. If B&G had done a proper installation, this repair would have never been needed. All I wanted was water for my lawn and plants.

Thank you again for your intervention and putting up with my persistence. If you could put this reimbursement through right away, we would appreciate it.

The completion date for the Crystal Brooke DIA was extended until April 30, 2011. A copy is attached.

There is a remaining balance for improvements of \$106,024.69 in the form of a disbursement agreement, with the City acting as the "bank". The required improvements have not been completed.

The required 20% security has been refunded to Larry Beckner, Esq. in exchange for a Deed of Trust to property in Ouray County, CO.

A portion of the Crystal Brooke property (Lots 1 and 2 in Block 2 and Lot A) was sold by the Public Trustee on April 6, 2011. The successful bidder was Sterling Styles Defined Benefit Pension Plan, whose legal address is 172 South Brent Circle, Walnut, CA 91789-3050. A copy of the Certificate of Purchase is attached.

I have not had any communication with the apparent new owner.

What is the next step that needs to be taken to enforce this Agreement ?

### Leslie,

I have a bill from Ben Dowd Excavating to fix another irrigation problem at Crystal Brooke. I'll bring it over and can you pay it.

### Thanks,
