CITY - TOWN

MAINTENANCE CONTRACT

This Contract made and entered this 1st day of July, 1969, by and between THE STATE HIGHWAY COMMISSION OF COLORADO, a body corporate acting for and on behalf of THE DEPARTMENT OF HIGHWAYS, hereinafter called the "Department", and the City - ~~Town~~ (strike one) of Grand Junction, hereinafter called the "City".

IT IS HEREBY AGREED; (1) The City hereby agrees to maintain 6.045 miles of State Highway No. 6, 50 & from as described on back of sheet to / 70-A and within the city limits, being State Patrol No. 03-02-40, together with any other portions of State Highways brought within the city limits hereafter by annexation, from and after this date until this Contract shall have been terminated.

(2) This Contract may be terminated by either party upon thirty (30) days notice by the other party, sent by registered, prepaid mail. It shall be subject to renegotiation not oftener than quarterly.

(3) As used herein the work "maintenance" shall mean: All of the maintenance duties of the Department under S. B. 170, 1953 General Assembly, including removal of snow, sanding and salting; cutting of weeds and grasses within Department's portion of right of way (between outer curbs, or between right of way fences or other appurtenances, whichever is the lesser area); cleaning and repairing of ditches and drainage structures (but storm sewers shall not be deemed to be part of the Department's duty); patching, making safe, repairing, spot reconditioning, spot stabilization and spot seal coating of the roadways, including the shoulders, and including damage caused by ordinary washouts; ~~painting of bridges~~, other structures and highway appurtenances; other work to preserve the roadways and appurtenances (including fences) with minor repairs to safeguard the traveling public; to make safe by warning and/or repair any dangerous condition from any cause. The Department will reconstruct portions of highways destroyed by major disasters, fires, floods, Acts of God, and those portions which cannot be safely or economically maintained; as it shall determine and have funds available; the City shall promptly give notice to the Department of the existence of any of said portions of highway.

(4) The City shall maintain the said highways in accordance with the standards established by the Department for State Highways of similar type with similar use. The interpretation of the Department's District Engineer, or his representative, respecting maintenance standards shall control and he shall approve the City's work and statements.

(5) The City shall advise the District Engineer of the Department's signs and regulatory devices in need of repair and the Department will maintain them.

(6) In consideration of the foregoing, the Department agrees to pay the City the sum of One Thousand (\$1,000.00) Dollars per mile for approved work per year, payable in monthly installments upon receipt of the City's statement.

(7) This Agreement shall be effective on and after July 1, 1969 and all agreements between the said City and the Department for maintenance of State Highways are hereby terminated, effective July 1, 1969, except those agreements which are specifically made effective on and after said date. This Agreement is executed under the authority of Senate Bill 170, 1953 General Assembly and by virtue of a resolution passed at a meeting of the City or Town Council held on May 21, 1969, 19 , a certified copy of which is attached hereto.
