MODIFICATION CW2

During the course of remedial action at the Vicinity Property described in Appendix A of the Remedial Action Agreement (RAA), the Department of Energy (DOE) has determined that the Owner is entitled to compensation for performing work not completed by DOE's authorized representative as provided under Paragraph 4 of the referenced RAA.

In consideration of the Owner accepting the property in its present condition and performing all reconstruction activities including, but not limited to, backfilling, compaction, concrete walk removal and replacement, landscaping and reseeding, the DOE shall compensate the Owner a total lump sum payment of \$21,660.58.

It has further been determined that the Owner shall assume total responsibility and liability for the property in its present remediated condition, and shall release the DOE, State, their authorized representatives, contractors and subcontractors from any and all claims, present or future, arising out of the Owner's performed work.

Except to the extent amended herein, all other terms and conditions agreed upon in the fully executed RAA shall remain as originally approved.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement in several counterparts.

Dear Rex;

City staff members reviewed the compensation package proposed for Watson Island in your January 8, 1997 letter and feel each of the items identified are acceptable. Please prepare the necessary modification to the Remedial Action Agreement.

Advise if you have questions or need further assistance.

Sincerely,

Don Hobbs
Assistant Director
