INTRODUCTION

The City of Grand Junction Parks and Recreation Department has the responsibility to establish a policy for recovering costs for using the City's areas and facilities and taking part in various recreation programs. This policy is meant to be a guide to the Administration, Parks and Recreation Advisory Board and the City Council, in developing a fair and consistent fee schedule.

AUTHORITY

The authority to establish appropriate fees on an annual basis rests with the City Council. The Parks and Recreation Advisory Board shall act in an advisory capacity to the Parks and Recreation Department and to the City Council in the establishment of such a fee policy and the setting of fees by various categories.

FACILITATION

The Parks and Recreation Department shall develop and recommend for all appropriate uses of its facilities and participation in various recreation programs. The fees will be reviewed annually by staff, Parks and Recreation Advisory Board and ultimately approved by the City Council with the adoption of each annual budget.

PURPOSE OF POLICY

The policy is intended to establish a standardized approach to assessing fees for residents and nonresidents; for the use of City facilities; for determining which user groups should pay at what percentage; to keep all fees at a fair market level in order to encourage participation; to strive for a high degree of cost recovery; and to lessen the burden on the City tax payer.

CITY DISCOUNT POLICY

Persons who reside inside the corporate city limits of the City of Grand Junction are offered a discounted resident rate for recreation programs, season tickets, punch cards and season passes.

A resident discount of 20% in 1994 and 23% in 1995 will apply to recreation classes/programs, season passes/punch cards for Lincoln Park-Moyer Pool, adult team player fees, season tickets for Lincoln Park Golf Course and Tiara Rado Golf Courses.
