

CITY OF GRAND JUNCTION, COLORADO

RESOLUTION NO. 100-94

A RESOLUTION ESTABLISHING THE FEE IN LIEU OF GREASE INTERCEPTOR INSTALLATION

WHEREAS, the City Council of the City of Grand Junction has adopted regulations regarding Industrial Pre-Treatment; and

WHEREAS, the City has instituted a grease-reduction program to reduce grease, oil and problems in the sewer system related to grease and oil; and

WHEREAS, compliance efforts for restaurants and other establishments with commercial kitchens have been ongoing; and

WHEREAS, some establishments have determined that they are unable to comply with the pre-treatment regulation(s) requiring installation of grease interceptors because of lack of space; and

WHEREAS, an inequitable situation would be created if an establishment were not required to comply with grease regulations; and

WHEREAS, the City Council has determined that it is necessary to assess a fee for those users who have been unable to comply in order to offset the cost of cleaning effected sewer lines, responding to service calls and to make the cost of the Industrial Pre-Treatment program equitable to all users.

NOW, THEREFORE, BE IT RESOLVED THAT the following fees are established for locations approved in accordance with Section 25-44, Code of Ordinances, City of Grand Junction, Colorado for payment of fee in lieu of grease interceptor installation:

Interceptor size	750 - 999 Gallon	1000 - 1999 Gallon	2000 + Gallon
Installation	\$92	\$95	\$98
Tank Cleaning	\$28	\$57	\$85
Sewer Line Cleaning	\$46	\$46	\$46
Total/MO	\$166	\$198	\$229

Passed and adopted this 2nd day of November, 1994.

/s/ R.T. Mantlo  
President of the Council
