

Special ~~Meeting~~^{Session} of City Council

Grand Junction, July 26, 1895
 Special meeting of Council for the purpose of considering in detail the specifications for the mountain water project was called to order by Mayor Allison. Present, Alderman Deans, Wharton, McCuey, Lee, Pratt, Coleman and Barton. Absent, Alderman Gannon.

Clerk read specifications for a system of water-works.

Alderman Deans moved that mountain water committee communicate with Mr. Allen, of Denver, asking him to include in specifications such cast iron or steel pipe as he could recommend to be used in lieu of wooden pipe mentioned in specifications as read and that plans and specifications be withheld from contractors until such time as his suggestions could be incorporated into said specifications. Seconded by Alderman Pratt and carried.

On motion special session of Council adjourned.
 Fred W. Cobb, City Clerk

John G. Higgins
