The following report was read from Spl Water Com - "Grand Junction Colorado Sept 29 1898"

To Mayor & City Council: your Water committee submit the following report: Believing that the City Council acted wisely in instructing our Attys to push the suits now in the higher Courts to an early decision. we your Committee in view of this fact, and for the further reason that, the water Company is seemingly still using dilatory tactics as they have not as yet the necessary papers at hand to complete a good title but only owe their many promises to obtain same, we believe that it will not be to the best

Water Com

interest of the city to again enter into negotiations looking to the purchase of the Water Plant at this time and therefore recommend that there be no further negotiations for the present

Respectfully submitted
