OTHER: Shane was approached by Community Hospital for a discount on a large order of gift certificates. Perhaps we can look at some sort of sponsorship of gift cards next year.

Jodi has been working with CMU art students to establish a temporary gallery for the senior art exhibition at 503 Colorado. They will be there for six weeks and are excited to be downtown. We may use the facility for the AOTC reception as well. Harry and Jodi would like board members to stop by and look at the art work as well as the space. Jodi is pleased that it creates a partnership between CMU and Downtown.

Kevin added that Bin 707 and Downtown Grand Junction were featured in the "5280" magazine. Jodi said they are excited about what's happening in Grand Junction.

Harry mentioned that US Airways will feature Grand Junction in their upcoming publication.

ADJOURN: Shane made a motion to adjourn; Jason seconded; the board adjourned at 9:05 a.m.
