CITY OF GRAND JUNCTION PARKS & RECREATION DEPARTMENT

2009 FEES & CHARGES POLICY

PURPOSE OF POLICY

The Fees and Charges Policy is intended to establish a standardized approach in assessing fees for the use of City facilities. This policy provides a guideline for determining which user groups should pay and at what percentage, to keep fees at a fair market level in order to encourage participation, to strive for a high degree of cost recovery, and to lessen the burden on the City tax payer.

AUTHORITY

The Parks and Recreation Department shall develop and recommend fees and guidelines for all appropriate uses of its facilities and participation in various recreation programs. The fees will be reviewed by staff, the Parks and Recreation Advisory Board and ultimately approved by the City Council.

COST RECOVERY CATEGORIES

1. MINIMAL COST RECOVERY – Recreation programs and/or facilities may recover less than 50% of the direct costs, such as: youth enrichment programs (including STARS, early release, and after school), Senior Recreation Center, Bookcliff Activity Center, some teen programs, senior programs, and special events.
2. PARTIAL COST RECOVERY - Recreation programs will recover a minimum of 70% of the direct operating costs, such as: Aquatics, youth athletics, most general recreation programs, including some senior recreation, and some special events.
3. FULL COST RECOVERY – Recreation programs and/or facilities will recover a minimum of 100% of the direct operating costs, such as: Adult athletics and some athletic special events, most fitness programs, and contract programs. Facilities, such as: Golf courses.

If you are unable to participate in a program, partial credits or refunds will gladly be given for most programs with notification seven (7) days prior to the start of the program. Full refunds cannot be guaranteed if expenses for the program have already been incurred. Refunds will not be granted for trips, special events, adult sport leagues, season pass/punch cards for golf, BAC, swimming, and some contractual programs. If you are not satisfied with your experience, call or write within seven (7) days of the last class. You can either repeat the activity at no charge, receive a credit which may be applied to another activity, or receive a refund. For more information, please inquire at the time of registration.

MUNICIPAL GOLF COURSES

Summary: Normally, we only raise fees 4%. However, with the escalation of oil prices and copper prices we have had to go to an 8% increase to meet operating costs. Many of our operating expenses have oil as a component of the product or use a lot of energy to produce the product or both. Examples are PVC pipe, fertilizer, pesticides, fuel, and other items. There is also a world shortage of copper, potassium, and phosphorus so the scarcity of these products also elevates costs.
