

AN ORDINANCE

Entitled an Ordinance Concerning Grades.

Be it Ordained by the Board of Trustees of the Town of Grand Junction:

SECTION 1. That the grades as given in detail upon the official profiles now in the Town Engineer's office, or hereafter filed in such office, approved and established by the Board of Trustees, be and they are hereby declared to be the established grades upon the streets and parts of streets therein shown.

SEC. 2. It shall be the duty of the Town Engineer to make such alterations upon the official profiles as may from time to time become necessary, to indicate any changes that may have been or may be made, by order of the Board of Trustees in the established grade of any street or part of street.

SEC. 3. That the cross section of a street be established as follows: Commencing on either side of the street, the sidewalk at the outer line of the street, shall be at grade; thence descending two inches to the curbstone; thence dropping to the bottom of the gutter, one foot, or one foot and two inches below grade; thence rising with a line curving upward to the centre of the street, which shall also be at grade.

Passed and adopted this 7th day of January, A. D. 1889.

D. ROBERTS, Acting Mayor.
