ADDENDUM NO. 1

DATE: November 3, 2014
FROM: City of Grand Junction Purchasing Division
TO: All Offerors
RE: IFB-3933-14-DH Power Transfer Switches for Generator Backups at Persigo WWTP

Offerors responding to the above referenced solicitation are hereby instructed that the requirements have been clarified, modified, superseded and supplemented as to this date as hereinafter described.

Please make note of the following clarifications:

1. Q. Please clarify contract completion deadline.
 - A. Contract completion deadline is December 23, 2014.
2. Owner shall coordinate with Contractor to provide shutdown dates for testing.
3. Both buildings shall be hard wired for the generators, not plug in.
4. As an Alternate/Optional line item to the project, Contractor shall provide separate pricing to install all new electrical panels to replace existing old ones, for both buildings. Owner shall provide the panels. Contractor shall not include this pricing as part of their base bid price for the project. Contractor shall utilize and submit the attached revised Price Bid Schedule for their bid proposal.

The original solicitation for the project noted above is amended as noted.

All other conditions of subject remain the same.

Respectfully,

A handwritten signature in black ink, appearing to read "Duane", is written over a horizontal line.
