NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GRAND JUNCTION:

Section 1. That the said whole cost and apportionment of the same, as hereinbefore set forth, is hereby approved and a share of said cost is hereby assessed to and upon each lot or tract of land within said district and against such persons and real estate, railway, railway franchises and property, as hereinbefore set forth, and in the proportions and amounts which are severally hereinbefore set forth and described.

Section 2. That said assessments are hereby declared to be a lien in the several amounts herein assessed against each lot or tract of land herein described, or other real estate herein described, within said district and within the limits of the City of Grand Junction, from the final publication of this ordinance and shall have priority over all other liens, except general taxes.

Section 3. That said assessments shall be due and payable with thirty days after the final publication of this ordinance without demand; provided, that all such assessments may, at the election of the owner, be paid in installments with interest as hereinafter provided. Failure to pay the whole assessment within the said period of thirty days shall be conclusively considered and held an election on the part of all persons interested, whether under disability or otherwise, to pay in such

installments. All persons so electing to pay in installments shall be conclusively considered and held as consenting to said improvements, and such election shall be conclusively held and considered as a waiver of any and all rights to question the power and jurisdiction of the city to construct the improvements, the quality of the work, and the regularity or sufficiency of the proceedings, or the validity or correctness of the assessment.

Section 4. That in case of such election to pay in installments the assessments shall be payable in ten equal annual installments of the principal, with interest upon unpaid installments payable semi-annually at the rate of four and three-fourths per cent per annum. The first of said installments of said principal shall be due on the 28th day of February, A. D. 1927, and shall be payable on or before said day, and the remainder of said installments shall be due on the 28th day of February of each year thereafter until all of said installments are paid in full.

Section 5. That the failure to pay any installment, whether of principal or interest, as herein provided, when due shall cause the whole unpaid principal to become due and payable immediately and the whole amount of the unpaid principal and accrued interest shall thereafter draw interest at the rate of 1% per month or fraction of a month until the day of sale, as by law provided, but at any time prior to the day of sale the owner may pay the amount of all delinquent installments, with interest at one per cent per month or fraction of a month as aforesaid, and all penalties accrued, and shall thereupon be restored to the right thereafter to pay in installments in the same manner as if default had not been suffered. The owner of any piece of real estate not in default as to any installment may at any time pay the whole of the unpaid principal, with interest accrued.

Section 6. That payment may be made to the City Treasurer at any time within thirty days after the final publication of this ordinance and an allowance of the two per cent added for cost of collection and other incidentals and of the interest from the date of payment to the 28th day of February, A. D. 1927, shall be made on all payments made during said period of thirty days.

Section 7. That all the provisions of Ordinance No. 178 of the City of Grand Junction, as amended, shall govern and be taken to be a part of this ordinance with respect to the creation of said Paving District No. 16, the construction of the improvements therein, the apportionment and assessment of the cost thereof and the collection of such assessment.

Section 8. That this ordinance, after its introduction and first reading shall be published once in full and in the Daily Sentinel, the official newspaper of the city, at least ten days before its final passage, and after its final passage it shall again be published once in the Daily Sentinel, the official newspaper of the city, and after its final passage shall be numbered and recorded in the city ordinance record and a

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GRAND JUNCTION:

Section 1. That the said whole cost and apportionment of the same, as hereinbefore set forth, is hereby approved and a share of said cost is hereby assessed to and upon each lot or tract of land within said district and against such persons and real estate, railway, railway franchises and property, as hereinbefore set forth, and in the proportions and amounts which are severally hereinbefore set forth and described.

Section 2. That said assessments are hereby declared to be a lien in the several amounts herein assessed against each lot or tract of land herein described, or other real estate herein described, within said district and within the limits of the City of Grand Junction, from the final publication of this ordinance and shall have priority over all other liens, except general taxes.

Section 3. That said assessments shall be due and payable within thirty days after the final publication of this ordinance without demand; provided, that all such assessments may, at the election of the owner, be paid in installments with interest as hereinafter provided. Failure to pay the whole assessment within the said period of thirty days shall be conclusively considered and held an election on the part of all persons interested, whether under disability or otherwise, to pay in such installments. All persons so electing to pay in installments shall be conclusively considered and held as consenting to said improvements, and such election shall be conclusively held and considered as a waiver of any and all rights to question the power and jurisdiction of the city to construct the improvements, the quality of the work, and the regularity or sufficiency of the proceedings, or the validity or correctness of the assessment.

Section 4. That in case of such election to pay in installments, the assessments shall be payable in ten equal annual installments of the principal, with interest upon unpaid installments payable semi-annually at the rate of four and three-fourths per cent per annum. The first of said installments of said principal shall be due on the 28th day of February, A. D. 1927, and shall be payable on or before said day, and the remainder of said installments shall be due on the 28th day of February of each year thereafter until all of said installments are paid in full.

Section 5. That the failure to pay any installment, whether of principal or interest, as herein provided, when due shall cause the whole unpaid principal to become due and payable immediately and the whole amount of the unpaid principal and accrued interest shall thereafter draw interest at the rate of 1% per month or fraction of a month until the day of sale, as by law provided, but at any time prior to the day of sale the owner may pay the amount of all delinquent installments, with interest at one per cent per month or fraction of a month as aforesaid, and all penalties accrued, and shall thereupon be restored to the right thereafter to pay in installments in the same manner as if default had not been suffered. The owner of any piece of real estate not in default as to any installment may at any time pay the whole of the unpaid principal, with interest accrued.

Section 6. That payment may be made to the City Treasurer at any time within thirty days after the final publication of this ordinance and an allowance of the two per cent added for cost of collection and other incidentals and of the interest from the date of payment to the 28th day of February, A. D. 1927, shall be made on all payments made during said period of thirty days.

Section 7. That all the provisions of Ordinance No. 178 of the City of Grand Junction, as amended, shall govern and be taken to be a part of this ordinance with respect to the creation of said Paving District No. 12, the construction of the improvements therein, the apportionment and assessment of the cost thereof and the collection of such assessment.

Section 8. It was moved by Councilman Meders, seconded by Councilman Bear that the proposed ordinance be passed for publication.

Mr. Gus Johnson, Mr. Tom McKelvie, and Mr. Scott Heckman appeared before the Council and the matter of the City and County jail was again taken up. No definite action was taken.

The matter of the rooming house license at #560 South Avenue was discussed. On motion of Councilman Bear, seconded by Councilman Fairley, the request was denied. Motion carried.

The fact that the doctors of Grand Junction are not requiring their patients to observe quarantine regulations for contagious diseases was brought up. This matter was referred to the City Manager with instructions to see that quarantine rules are rigidly enforced; that the public should be notified of any irregularities on the part of any doctor in not enforcing them, and that anyone who violated the rules should be prosecuted.

On motion of Councilman Moslander, seconded by Councilman Fairley, the meeting adjourned.
