NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GRAND JUNCTION:

estate, railway, railway franchise and property, as hereinbefore set forth, and in the proportions and amounts which are severally hereinbefore set forth and described.

Section 2. That said assessments are hereby declared to be a lien in the several amounts herein assessed against each lot or tract of land herein described, or other real estate herein described, within said district and within the limits of the City of Grand Junction, from the final publication of this ordinance and shall have priority over all other liens, except general taxes.

Section 3. That said assessment shall be due and payable within thirty days after the final publication of this ordinance without demand; provided, that all such assessments may, at the election of the owner, be paid in installments with interest as hereinafter provided. Failure to pay the whole assessment within the said period of thirty days shall be conclusively considered and held an election on the part of all persons interested, whether under disability or otherwise, to pay in such installments. All persons so electing to pay in installments shall be conclusively considered and held as consenting to said improvements, and such election shall be conclusively held and considered as a waiver of any and all rights to question the power and jurisdiction of the city to construct the improvements, the quality of the work, and the regularity or sufficiency of the proceedings, or the validity or correctness of the assessment.

Section 4. That in case of such election to pay in installments, the assessments shall be payable in ten equal annual installments of the principal, with interest upon unpaid installments payable semi-annually at the rate of four and three-fourths per cent per annum. The first of said installments of said principal shall be due on the 28th day of February, A. D. 1927, and shall be payable on or before said day, and the remainder of said installments shall be due on the 28th day of February of each year thereafter until all of said installments are paid in full.

Section 5. That the failure to pay any installment, whether of principal or interest, as herein provided, when due shall cause the whole unpaid principal to become due and payable immediately and the whole amount of the unpaid principal and accrued interest shall thereafter draw interest at the rate of 1% per month or fraction of a month until the day of sale, as by law provided, but at any time prior to the day of sale the owner may pay the amount of all delinquent installments, with interest at one per cent per month or fraction of a month as aforesaid, and all penalties accrued, and shall thereupon be restored to the right thereafter to pay in installments in the same manner as if default had not been suffered. The owner of any piece of real estate not in default as to any installment may at any time pay the whole of the unpaid principal, with interest accrued.

Section 6. That payment may be made to the City Treasurer at any time within thirty days after the final publication of this

ordinance, and an allowance of the two per cent added for cost of collection and other incidentals and of the interest from the date of payment to the 28th day of February, A. D. 1927, shall be made on all payments made during said period of thirty days.

Section 7. That all the provisions of Ordinance No. 178 of the City of Grand Junction, as amended, shall govern and be taken to be a part of this ordinance with respect to the creation of said Paving District No. 15, and the construction of the improvements therein, the apportionment and assessment of the cost thereof and the collection of such assessment.

Section 8.
