Re Mun. light plant

Attorney Simon Smith appeared before the Council and stated that he had been delegated by a representative group of business men to appear before the Council, and request that no action be taken on building a Municipal light and power plant at the present time. He stated that, due to the general business depression over the country, these men felt that this would be an inopportune time to take any action along this line.

There being no further business to come before the meeting, on motion of Councilman Bear, seconded by Councilman Sievert, the meeting adjourned, subject to the call of the President. Motion carried.
