Report on filter for Moyer Pool

City Manager Soderstrum made the following report on the matter of a filter for Moyer Pool:

"Extensive investigations were made in regard to this equipment and find that two 84-inch filters with necessary equipment will take care of our needs. These are on the unit system and an additional unit may be installed at any date if the use of the pool becomes crowded enough to require. At the present time the water will be completely changed every 20 hours which meets all of the requirements of the State Board of Health, not only of our state, but of many others as well as those of the American Public Health Association and the American Association for the Promotion of Hygiene and Public Baths."

Bids were received for filters as follows:

Crane-O'Fallon-----	\$2,841.60
Permutil Co.-----	3,047.00
Stearns Rogers Co.-----	3,796.00

It was moved by Councilman Hirons and seconded by Councilman Sievert that the City Manager be instructed to go ahead and purchase filters from Crane-O'Fallon Co. Roll was called upon this motion, with the following result;
