Mesa Air transport lease declared forfeited

Mr. D. B. Bullock of the Mesa Air Transport presented a letter in which he stated that the liability insurance on the Municipal Airport expires on August 24th, and owing to the fact that there is very little activity at the field, they were unable at this time to have this policy renewed.

Councilman Glassford moved and Councilman Holcombe seconded the motion that the City Manager and the City Attorney be directed to institute forfeiture proceedings on the airport lease to D. B. Bullock if the liability insurance which said Bullock now has on the operation of his lease, be not renewed immediately upon the expiration of the present policy. Motion carried.

It was moved by Councilman Glassford and seconded by Councilman Bear that the meeting adjourn.
