N. 9<sup>th</sup> St. skating rink request granted

Messrs. Roger Nash, Richard Manning and Russell Sisac were present in the interest of their skating rink on N. 9th between Gunnison and Hill Avenues. Mr. Manning presented the matter to the Council, explaining that he had several Engineers go over the proposition and that each one stated that the amount of water to be used in the skating rink would not cause any change in the water table now existing, or should not cause seepage on the adjacent property. Petitions were filed, signed by property owners in the vicinity of the rink, and also business men who were in favor the continuance of the rink.

After consideration, Councilman Hiron moved and Councilman Glassford seconded the motion that the action of the Council on October 5th, instructing the City Manager not to sell water for any ice-skating rink in the City, be rescinded. Motion carried.

10% cut in salary protested

A number of taxpayers, representatives of labor organizations, and business men were present and protested against the proposed 10% reduction in wages and labor, which the Council are considering, effective January 1st, 1933.

Councilman Hiron moved and Councilman Glassford seconded the motion that the meeting adjourn.
