

Grand Junction, Colorado
September 16, 1942

The City Council of the City of Grand Junction, Colorado, met in regular session at 7:30 o'clock P.M. Councilmen present and answering at roll call were: Carson, Ross, Boston, Robb, Campbell, and President Treece. Councilman Hoisington was absent. Also present were City Manager Brownson, City Attorney Hinman, and City Clerk Tomlinson.

The minutes of the regular meeting held September 2nd were read. It was noted that Councilman Campbell voted "No" on the motion to accept the proposal of Boettcher & Co. and associates to refund Refunding Improvement Bonds, instead of AYE, as shown in the minutes. It was moved, seconded and carried that the minutes be approved as corrected.

Mrs. Lena McGeehee made an offer to purchase the tax sale certificates held by the City against the property designated 1005 South 5th Street. The assessed valuation for this property is \$100 for the lots and \$270 for the improvements. The delinquent County General taxes amount to \$210.41, the City Specials, \$206.01, making a total of \$416.41 for which Mrs. McGeehee offers \$275.00. There is also \$22.20 in current taxes.

It was moved by Councilman Carson and seconded by Councilman Campbell that the City Treasurer be instructed to sell and assign Special Assessment Tax Sale Certificates Nos. 39897 - 40269 - 40581 for the sum of \$136.00 at any time within forty-five days from and after this date, providing the purchaser and assignee thereof pay or settle the general taxes on the property in question within such period. Roll was called on the motion with all members of the Council present voting AYE. The President declared the motion carried.

City Manager Brownson reported that Mr. Vance of the Colorado Hospitalization Service Association is in Grand Junction for the purpose of setting up the Blue Cross Hospitalization plan locally. Mr. Vance would like permission to present the plan to the different groups of City employees. It was moved by Councilman Carson and seconded by Councilman Campbell that the matter be tabled until the next regular meeting of the Council. Motion carried.

Mr. Heckman reported to the Council that Horace S. Price had decided that he does not now wish to pay for a license for the balance of this year, so no further consideration is necessary on his liquor application.

City Manager Brownson made a preliminary report of surveys that had been made recently to move the Intake about a mile above the present point of Intake on Kannah Creek, thus eliminating the water coming in from several small creeks on the water shed that

usually carry considerable silt, especially Two Creeks which has been causing a great deal of trouble all summer. The Council considered the proposition and decided that the change would benefit the water system, if it could be worked out.

A letter was read from Mr. Walter Walker, thanking the Council for their action in adopting the name of "Walker Field" for the Municipal Airport. The letter was ordered filed.

A letter was read from the Mesa County Commissioners thanking the Council for the Resolution passed on August 5th relative to the highway to Walker Field. This letter was ordered filed.

Mr. Brownson presented a preliminary report on the 1943 budget, asking for comments and suggestions on the policies for the coming year.

It was moved by Councilman Carson and seconded by Councilman Ross that the meeting adjourn until Monday evening September 21st, at 7:30 o'clock P.M. Motion carried.
