Council present voting AYE. The President declared the motion carried.

The resignation of Mr. T. J. Treece as Councilman from District C was presented. Councilman Treece had expressed a desire not to run in the election this spring, and in order that the voting districts could be changed so as to include the newly annexed districts to the best advantage, he was willing to resign at this time so that the registration books could be prepared for the coming election and petitions for persons who desire to run for councilmen could be circulated. It was moved by Councilman Hoisington and seconded by Councilman Boston that Councilman Treece's resignation be accepted for the above reasons. Roll was called on the motion with all members of the Council present voting AYE. The President declared the motion carried.

The following Resolution was presented and read:
