Notice was served on Beye-Lotz Post #1247 V.F.W. of United States, Inc. at 1404 Ute Avenue that it had been brought to the attention of the Council that they had consistently failed to operate properly under the liquor license granted by the City of Grand Junction, in failing to keep proper order on the premises; in violation of the ordinances of the City of Grand Junction; and that a public hearing would be held on Wednesday, Oct. 7th, at 7:30 p.m. to consider whether the license should be suspended or revoked, and to hear all evidence at that time.

Mr. Geo. Graham, Attorney, was present representing the V.F.W. Club of 1404 Ute Ave. and also Mr. Rushton, President and Manager of the Club. Mr. Graham stated that the V.F.W. He reported several instances of disturbances. Mr. R. T. Mantlo, 1361 Colorado Ave., presented a letter signed by many of the residents of the area protesting the operation of the Club. Mr. Rushton stated that he would be willing to do anything to comply with the law and would cooperate in any way possible to make the Club operation satisfactory.

Councilman Strnad suggested that the trustees be advised of the situation, and that a crash door be installed at the back entrance; that the Club management call the police when their help is needed.

President of the Council

ATTEST:

City Clerk

It was moved by Councilman Strnad and seconded by Councilman Hadden that the resolution be passed and adopted as read. Roll was called on the motion with all members of the Council present voting "AYE." The President declared the motion carried.

ZONING CHANGES Hearing 11-4-59

The Planning Commission recommended the following changes in zoning:

(a) The lots on the northwest corner of 12th and Hill to be changed from Business "AR" to Business "A"

(b) Lots 1 and 2 Block 4 Park Place Heights from Residence "C" to Residence "D" (16th & Glenwood)

It was moved by Councilman Colescott and seconded by Councilman Dean that hearings on the above changes of zoning be set for November 4th and that all interested parties be notified. Motion carried.

FESTIVAL CO. REQ. for adjustment of bill tabled

The Grand Junction Festival Company requested an adjustment on its bill for the use of the Lincoln Park and the Airport for the festival last summer. As there was some question concerning the bill, it was moved by Councilman Dean and seconded by Councilman Hadden that this matter be held over until the next meeting of the Council so that Mr. Stocker can explain the charges as billed. Motion carried.

PROGRESS REPORT ON SEWAGE ODOR

A report on the progress being made on the removal of the odor from the sewage disposal plants was made by Mr. Chas. Weir.

TRAFFIC STOP SIGN - 15th & Orchard

Mr. Victor Carlson appeared before the Council regarding a stop sign at 15th and Orchard. He requested that it be placed on the east and west sides of 15th so that 15th would be a through street instead of Orchard Ave. He claimed that cars travel at a dangerous rate of speed past the Orchard Avenue school. Chief of Police Johnson explained that Orchard Ave. was a through street and for that reason the stop signs should be left as they now are. The Police Department was instructed to try to slow the traffic down so that it would be less dangerous.

MESA GARDENS PAVING (AETNA CASUALTY SUIT) To contract with Corn Constr to get paving finished up

City Attorney Ashby reported that in the Aetna Casualty suit, Columbia Savings has expressed a desire for the City to enter into a contract with the Corn Construction Company for the proposed work in Mesa Gardens and has stated that it would guarantee that the construction costs would be paid. It was felt that Gunnison Avenue at 22nd Street for a distance of approximately 146 feet should also be included in the contract with Corn Construction Co., and that Columbia Savings be requested to increase the amount of their guarantee by approximately \$1,500 which would make the total cost \$10,400. City Attorney Ashby stated that he would get a more definite guarantee authorizing the payment of the bill for the work to be done by Corn Construction Co. It was moved by Councilman Strnad and seconded by Councilman Hadden that the City Manager on behalf

of the City be authorized to contract with the Corn Construction Company on the basis that the City will be absolutely guaranteed payment for the work and in addition to the suggested proposition that the strip of ground on Gunnison at 22nd Street be included. Motion carried.

It was moved by Councilman Colescott and seconded by Councilman Hadden that the meeting adjourn. Motion carried.
