

Grand Junction, Colorado

June 16, 1971

ROLL CALL

The City Council of the City of Grand Junction, Colorado, met in regular session at 7:30 P.M. June 16, 1971, in the Civic Auditorium at City Hall. Councilmen present and answering roll call were: Raymond Paruch, Harry Colescott, Lawrence Kozisek, Theodore Naff, Richard Youngerman, Silas Grantham, and President of the Council Stanley Anderson. Also present were City Manager Richard N. Gray, City Attorney Gerald Ashby, and City Clerk Neva Lockhart.

MINUTES

It was moved by Councilman Youngerman and seconded by Councilman Kozisek that the minutes of the regular Council meeting held on June 2, 1971, be approved as written. Motion carried.

HEARING - ID. ST-71 - RESOLUTION CREATING DISTRICT

This was the advertised date for a hearing upon the creation of Street Improvement District ST-71. Mr. Burley Dickens of 606 Patterson Road presented a counter petition against the improvements proposed for Patterson Road. City Engineer Hickman was present and ascertained that the counter petition opposing the improvements is 43.04 percent of the total footage abutting Patterson. The petition in favor of the improvements had 40.14 percent of the total abutting footage. City Engineer Hickman said that the 1510.2 front footage abutting on this section is included as Job No. 2 of the bidding documents, which is the north and south side of Patterson Road west of 7th Street. City Manager Gray said that he and City Engineer Hickman had reviewed the Ordinance and that when a petition to improve is presented which is not initiated by Council, it requires at least 30 percent of the benefitted property owners to petition. If a greater percentage remonstrates against it, the project is killed. City Attorney Ashby concurred. City Engineer Hickman said that this portion, Job No. 2, can be deleted from the total job. The President closed the hearing.

The following Resolution was presented and read:

R E S O L U T I O N

CREATING AND ESTABLISHING IMPROVEMENT DISTRICT NO. ST-71 WITHIN THE CORPORATE LIMITS OF THE CITY OF GRAND JUNCTION, COLORADO, AUTHORIZING THE CONSTRUCTION OF CURBS AND GUTTERS, SIDEWALKS AND PAVING ON STREETS AND ALLEYS THEREIN, AND PROVIDING FOR THE PAYMENT THEREFOR.

WHEREAS, on May 5, 1971, the City Council of the City of Grand Junction, Colorado, passed a Resolution Adopting Details, Plans and Specifications for Improvement District No. ST-71 and authorizing Notice of Intention to Create said District; and

WHEREAS, Notice of Intention to Create said District was duly published; and

WHEREAS, a written complaint has been made concerning the improvements described as:

Patterson Road, 770 feet west of 7th Street for installation of a 44 foot paving from back of curb to back of curb with vertical curb and gutter on both sides of street with a two-inch asphaltic concrete mat with eight inches of three-fourths inch base course to be constructed according to City of Grand Junction general specifications, and a three and one-half foot sidewalk on both sides; concerning the following:

All of Lots 4 through 9 and the South 35 feet of Lots 3 of Fairmount Heights Subdivision; also North 150 feet of the East 800 feet of the Northeast Quarter Northwest Quarter of Section 11 Township 1 South Range 1 West, U.P.M. in the City of Grand Junction, Colorado.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF GRAND JUNCTION:

1. That said Improvement District No. ST-71 be, and the same is hereby, created and established, and that construction of curbs and gutters, sidewalks and paving of streets and alleys therein be, and the same is hereby authorized and directed, in accordance with the Resolution Adopting Details, Plans and Specifications prepared and filed therefor, except as to those improvements upon which written complaint has been made as above stated.
2. That the construction of curbs and gutters, sidewalks and paving of streets and alleys shall be made by contract let to the lowest, reliable and responsible bidder after public advertisement, except that if it be determined by the City Council that the bids are too high, and that the proposed improvements can be efficiently made by the City, the City may provide that the construction shall be made under the direction and control of the City Manager by hiring labor by the day or otherwise, and by purchasing all necessary material, supplies and equipment.
3. That the improvements in said District were duly ordered after notice duly given; that a remonstrance was filed against the improvements called for on Patterson Road as above described but no other remonstrance was filed against the creation or establishment of said district, or any of the proceedings adopted therefor, and that all conditions precedent and all requirements

of the laws of the State of Colorado, the Charter of said City, and Ordinance No. 178, as amended, being Chapter 18 of the Code of Ordinances of the City of Grand Junction, Colorado, have been strictly complied with.

4. That the description of the curbs and gutters, sidewalks and paving of streets and alleys to be constructed, the boundaries of said Improvement District, the amounts to be assessed, the number of installments and assessments, the time in which the cost shall be payable, the rate of interest on unpaid installments, and the manner of apportioning and assessing such cost, shall be as prescribed in the Resolution adopted for said District on the 5th day of May, 1971, and in accordance with the published Notice of Intention to Create said District, except as above stated.

5. That after the construction of said improvements in said district has been let, the Council shall, by resolution, provide for the issuance of public improvement bonds for said Improvement District No. ST-71 for the purpose of paying the cost and expenses of construction of said District.

PASSED and ADOPTED this 16th day of June, 1971.

s/Stanley R. Anderson
President of the Council

ATTEST:

s/Neva B. Lockhart
City Clerk

It was moved by Councilman Paruch and seconded by Councilman Youngerman that the foregoing Resolution be passed and adopted as read. Roll was called with the following result:

Those voting AYE:

President of the Council:	Stanley R. Anderson
Councilmen:	Harry O. Colescott
	Silas Grantham
	Lawrence L. Kozisek
	Theodore N. Naff
	Raymond R. Paruch
	Richard G. Youngerman

Those voting NAY: None

The seven members of the Council having voted in favor of the motion, the President declared the motion carried and the Resolution duly passed and adopted.

BIDS - I.D. ST-71 - AWARD OF CONTRACT TO UNITED SAND & GRAVEL -
\$55,590.74

City Manager Gray read a "memo" from City Engineer Hickman regarding the bid opening for I.D. ST-71. Bids were opened at 2:00 P.M. on Tuesday, June 15, and are as follows:

Elam Construction, Inc.	\$92,179.85
United Sand & Gravel	\$72,326.70
Burks & Company	\$113,098.50
Engineer's Estimate	\$84,112.65

City Engineer Hickman had anticipated the counter petition on Job No. 2 so had sent out an addendum regarding the possibility that it might be deleted from the final contract. The adjusted bids would be:

Elam Construction, Inc.	\$70,866.05
United Sand & Gravel Company	\$55,590.74
Burks & Company	\$88,418.45
Engineer's Estimate	\$64,110.95

City Engineer Hickman and City Manager Gray recommended the award of the contract to United Sand & Gravel Company contingent upon their providing an asphalt plant which will meet City specifications.

It was moved by Councilman Colescott and seconded by Councilman Grantham that the I.D. ST-71 contract be awarded to United Sand Gravel Company in the amount of \$55,590.74 with the contingency that the contractor provide an asphalt plant to meet City specifications. Motion carried.

City Engineer Hickman noted that the contractor has until October 15 of this year for the completion of the contract.

BIDS - CURB, GUTTER & SIDEWALK REPAIRS, 1971 - CONTRACT AWARDED TO FRED CUNNINGHAM - \$3,721

Bids were opened at 2:00 P.M. Monday, June 14, for the 1971 Curb, Gutter and Sidewalk Repairs. One bid was received.

Fred Cunningham	\$3,721.00
Engineer's Estimate	\$3,263.25

It was noted by City Engineer Hickman that Fred Cunningham qualified his bid to extend the completion date to September 1 rather than August 1 as called for in the bidding documents. The City Engineer said that this work needs to be done due to the many water line breaks. The City does not have adequately trained concrete men or time for them to do the work. City Engineer Hickman and City Manager Gray recommended the award of the contract to Fred Cunningham in the amount of \$3,721.00 with a time extension to September 1, 1971.

It was moved by Councilman Youngerman and seconded by Councilman Naff that the contract be awarded to Fred Cunningham in the amount of \$3,721.00 with the time extension to September 1. Motion carried.

BIDS - SS 29-71 - AWARD OF CONTRACT TO SMITH WELDING - \$21,679

Bids were opened at 3:00 P.M. Tuesday, June 15, for Sanitary Sewer 29-71. Bids were as follows:

J. D. Dye Construction Company	\$22,356.90
Grand Valley Construction Company	\$28,399.00
George Tilton Construction Company	\$23,871.00
Scheierman Construction Company	\$27,877.35
Smith Welding & Construction Company	\$21,679.00
Engineer's Estimate	\$23,929.00

It was the recommendation of City Engineer Hickman and City Manager Gray that the contract be awarded to Smith Welding & Construction Company on the low bid of \$21,679.00.

City Engineer Hickman noted that Smith Welding has had three contracts with the City this year, and they do a very good job.

It was moved by Councilman Youngerman and seconded by Councilman Grantham that the contract for Sanitary Sewer 29-71 be awarded to Smith Welding & Construction Company in the amount of \$21.679.00 Motion carried.

HEARING - REQUEST FOR REZONING - PROPOSED ORDINANCE

This was the date advertised and scheduled for a hearing upon the request for rezoning of property on the Northwest corner of First and Orchard Avenue owned by City Market. City Attorney Ashby explained that under the zoning ordinance, they are permitted 50,000 square feet in B-2 (Neighborhood Business) and 3/5ths of that same amount for parking. This request would bring the total B-2 (Neighborhood Business) area to 49,830 square feet, and the total P (Parking) area to 29,524 square feet. Councilman Paruch said that this was a recommendation of the Planning Commission. There being no written comments and no one in the audience to protest, the President closed the hearing.

The following entitled proposed ordinance was introduced and read: AN ORDINANCE AMENDING THE ZONING MAP, A PART OF CHAPTER 32 OF THE CODE OF ORDINANCES OF THE CITY OF GRAND JUNCTION, BY CHANGING THE ZONING ON CERTAIN LANDS WITHIN THE CITY. It was moved by Councilman Paruch and seconded by Councilman Grantham that the proposed ordinance be passed for publication. Motion carried.

HEARING LIQUOR LICENSE - CHANGE OF OWNERSHIP - APPROVED

This was the scheduled date for a hearing upon the application of

Americo Benetti and Mary Ann Benetti for a liquor license for the Crown Liquors, 119 South 4th Street. A letter from Chief of Police Karl Johnson was read. Chief Johnson said he has made an investigation into the qualifications of the applicants and has discussed with them the regulations under which such a business must be operated. Chief Johnson said that on the basis of information available, there appears to be no reason why the application should not be approved. There were no written protests, and no one in the audience to protest. The President closed the hearing.

It was moved by Councilman Youngerman and seconded by Councilman Grantham that the application be approved and the license issued when the State license has been received. Motion carried with Councilman Paruch voting NAY. The President declared the motion carried.

DAYS - YOUTH OF QUARTER HORSE ASSOCIATION TO SELL TICKETS JUNE 23

Mr. Virgil Van Dyke, representing the Sheriff's Posse, appeared before the Council to request permission for the youth of the Quarter Horse Association to sell tickets to the rodeo in the Downtown Shopping Park on Wednesday, June 23, 1971.

It was moved by Councilman Youngerman and seconded by Councilman Kozisek that permission be granted the youth of the Quarter Horse Association to sell tickets in the Shopping Park on Wednesday, June 23, 1971. Motion carried.

TOPICS (TRAFFIC OPERATIONS PROJECTS TO IMPROVE CAPACITY AND SAFETY)

State Highway District Engineer Richard Prosenice appeared before the Council to discuss the TOPICS program with them. Mr. Prosenice reported that the Governor signed the new Highway Budget a couple of weeks ago, and Mr. Prosenice wanted to discuss some of the projects affecting the City that they did not receive and some they did get and what they plan to do with the money.

One project they didn't get was the overlay of North Avenue and the Freeway which has been requested for three years in a row. Mr. Prosenice indicated that a request for this badly needed work will be placed before the Highway Commission again next year.

Although construction money for Highway 340 west over to the Redlands was not granted, they did receive \$100,000 for the right of way for this project. A Public Hearing was held in Civic Auditorium on Tuesday night, June 15, and they are planning to proceed with the work, although it will be at least a year before actual construction starts on that particular work.

Received also was \$100,000 and a new TOPICS project. TOPICS stands for Traffic Operations Projects to Improve Capacity and

Safety. Mr. Prosenice said they are ready to advertise and take bids on the first \$80,000 project, which is for the synchronization and improvement of the signal system in Grand Junction.

Mr. Prosenice reported that TOPICS is financed by 57 percent Federal money and 43 percent from other sources. In the State of Colorado, the State Highway Commission has adopted a policy that if the City provides the preliminary engineering, the Highway Department matches the Federal funds. Mr. Prosenice said the City has no investment in the project other than the cost of engineering. He commented that it will be left up to the City to decide how this \$100,000 is to be spent. TOPICS money is to be spent for improving existing streets or intersections, such as the development of a one-way street plan. He suggested that the money could be spent for the improvement of the access in the industrial area in the south part of town. Or it could be spent on the elimination of the bottleneck on North 12th Street and Orchard Avenue where the street suddenly narrows because of the Grand Valley Canal. Mr. Prosenice said they would be anxious for the engineering to proceed on this work so that the construction project could be let sometime this fall.

Mr. Prosenice reported that they also received \$500,000 for improvement of the so-called Freeway beginning here in Grand Junction and continuing east as far as Fruitvale Corner. This would be adding two lanes to the present two lanes so that it becomes a four-lane highway as far as Fruitvale Corner. Regarding this project, Mr. Prosenice said there is one thing demanded as a decision from the Council. The Highway Department has been encouraging a series of projects that improves the aesthetic appearance of the entrances to the City. He wanted to know the feeling of the City regarding the end of Desert Vista Park out to as far as the intersection at the end of Main Street, which would be a two- to three-block area. Subject to approval of the Denver office, Mr. Prosenice offered the installation of the sprinkling systems and the landscaping of the area if the City would take all the obligation of supplying maintenance and supplying water.

President Anderson said the City would like to refer the question of the green area and the maintenance to Jim Wysocki of the Parks Department and then come back to Mr. Prosenice with a decision.

DAYS REQUEST OF ORCHARD MESA LITTLE LEAGUE TO SELL RAFFLE TICKETS IN SHOPPING PARK ON SATURDAY, JUNE 26 - GRANTED

Mr. Keith Owens, representing the Orchard Mesa Little League, appeared before the Council to request permission to sell raffle tickets in the Downtown Shopping Park on Saturday, June 26.

It was moved by Councilman Colescott and seconded by Councilman Youngerman that permission be granted to the Orchard Mesa Little League for the sale of raffle tickets in the Shopping Park on June 26. Motion carried.

Councilman Paruch moved that before proceeding with the next item on the agenda, the City Manager's discussion of the rock concerts in Lincoln Park be moved forward to this time. Councilman Naff seconded the motion. Motion carried.

LINCOLN PARK ROCK CONCERTS - DRINKING FOUNTAIN IN LINCOLN PARK

City Manager Gray said he was put on the agenda for a discussion of the musical productions, usually called rock concerts, because of the number of calls, letters, and complaints that have been received by both the City Manager and the Police Department. Since this has become a matter of public interest and concern, Mr. Gray felt the City Council should give some guidance in their policy level.

City Manager Gray said that these concerts started a number of weeks ago, the first being held without a permit. After this, there were permits taken out, primarily by Mr. Zamora. The Administration set up certain guidelines in conformity with the Ordinance governing the use of the park, and they tried to work with the group in order for them to have a place for the music and at the same time trying to meet the public demand regarding the complaints and criticisms about the noise emitting from this type of music.

City Manager Gray said the culmination of all this came about on Sunday, June 6. A permit had been issued for a concert at Lincoln Park from 1:30 to 5:30 P.M. City Manager Gray said he received several calls at home from citizens who reside on Gunnison and 12th Street. One of the citizens suggested that Mr. Gray should go to the park, which he proceeded to do. There was a concert in progress and his observations would be that he found the young people orderly. However, he felt the thing that was agitating the residents in the area was the noise level emanating from the amplifiers. The guitars and a harmonica were connected to these. City Manager Gray read some of the letters he has received since this concert. At this time, a T.V. cameo tape that records simultaneously with the picture was shown by Sgt. George Baxter of the Police Department.

Mr. John Zamora, who was scheduled on the agenda for this time to present a petition for a drinking fountain at the flag pole in Lincoln Park and to discuss the rock concerts, appeared before the Council. He made the request for the drinking fountain, but said the petition had been torn or lost. He said the petition had approximately 2500 signers.

Mrs. Lorraine Brandt, 1300 Block Gunnison, appeared before the Council to state that she did not feel the residents in the area should have to suffer from this noise level. She said that most of the residents are older, retired people. She

reported that a petition is being circulated in the neighborhood against this sort of thing.

Mr. Dixon Colbert came before the Council and stated that in the City, where he used to live, they had concerts in the park with a bowl behind the 50-piece orchestra. He commented that perhaps the volume could be turned down to the amplifiers in Lincoln Park.

A Mr. McBride came before the Council and said that these are public parks. The Sunday this concert was held, there was no room for anyone else.

A Mr. Rolaine appeared before the Council and said that he does not think that the group should have been put on a camera. He said this was just starting trouble.

President Anderson asked City Manager Gray how much a drinking fountain in Lincoln Park would cost. It was estimated at approximately \$1,000. City Manager Gray said that he would not recommend the drinking fountain for two reasons; 1. The money is not budgeted, and 2. With the number of drinking fountains in this area in Lincoln Park, he does not think another is needed now. He suggested that the Council could consider this at the time next year's budget is prepared.

It was moved by Councilman Kozisek and seconded by Councilman Youngerman that the matter of an additional drinking fountain for Lincoln Park be considered in next year's budget. Motion carried, with Councilman Paruch voting NAY.

The discussion about the rock concerts was brought up again. Mr. Zamora as well as others in the audience said they could not play their guitars and other instruments without the amplifiers, and they stated that they could not turn down the volume.

Councilman Paruch suggested that the City should get someone with a decibel meter and come to Lincoln Park and make some tests in regard to the sound level.

Mr. Jameson asked who is providing the power for these concerts. He suggested that a meter be set up and let them pay for their power.

It was moved by Councilman Colescott and seconded by Councilman Paruch that no permits be issued until the next City Council meeting on July 7, and that a committee be formed to check into the sound level so that an Ordinance can be prepared. Motion carried.

DAYS - ANNUAL KIWANIS PANCAKE BREAKFAST FRIDAY, JUNE 25

A letter from Mr. Alden Spooner, General Chairman of the Kiwanis Club was read in which he requested permission for the Kiwanis to

use 10 parking spaces on the North side of Main Street between 5th and 6th Streets for the annual Kiwanis Pancake Breakfast on Friday, June 25.

It was moved by Councilman Youngerman and seconded by Councilman Grantham that the Kiwanis Club be granted permission for the use of the 10 parking spaces on Main Street for the annual Pancake Breakfast on June 25. Motion carried.

REQUEST FOR LEASE EXTENSION OF BUILDING AT 134 WEST AVENUE -
TABLED

A letter was read from Irene C. Wubben, a member of the 4C Committee, requesting the lease extension on the building at 134 West Avenue. The 4C Committee is using this building for a Day Care Center. The present lease between the City and the 4C Committee expires on August 31, 1971.

City Attorney Ashby suggested that copies of this lease be given to Councilman Grantham and Councilman Kozisek so that they would be familiar with the request.

It was moved by Councilman Paruch and seconded by Councilman Naff to table this matter until the next meeting on July 7, 1971. Motion carried.

D. G. SON OFFER TO PURCHASE LOTS 13-16, BLOCK 13, MILLDALE SUB-
DIVISION SECOND AVENUE AND 10TH STREET

A letter from D. G. Son, SF & B Rentals, was read in which he offered to purchase City-owned Lots 13 through 16, Block 13, Milldale Subdivision. This property is located at Second Avenue and 10th Street. Mr. Son offers to purchase these four lots from the City for \$3,000. He said he plans to improve this property so that it will give the City a good tax income.

City Attorney Ashby said that some years ago these lots were appraised for \$2,000. He feels that the offer of \$3,000 is a fair value for these lots, and it does get them back on the tax roll. These are vacant lots as the City is not using them.

Mr. Barclay Jameson asked if Mr. Son had indicated how he would use the property. Mr. Jameson had heard that Mr. Son was planning a junk yard. City Attorney Ashby said that Don Warner would check the zoning in this area and that he would check with Mr. Son about the use.

It was moved by Councilman Youngerman and seconded by Councilman Paruch that City Attorney Ashby prepare a Resolution and bring to the next City Council meeting authorizing the sale of these four lots. Motion carried.

3.2 BEER LICENSE RENEWALS

Applications for the renewal of 3.2 beer licenses for the following were presented:

John E. Murray and Ruth D. Murray dba Teddy's Cafe, 1648 Hwy 50
Kubena, Inc., Shakey's Pizza Parlor, 827 North Avenue

A letter from Chief of Police Karl Johnson was read in which he said there have been no complaints or violations at the above addresses, and he could see no reason why their applications for renewal could not be approved.

It was moved by Councilman Youngerman and seconded by Councilman Naff that these applications for renewal be approved and the licenses issued when the State licenses have been received. Motion carried, with Councilman Paruch voting NAY.

RESOLUTION AUTHORIZING ACCEPTANCE OF GRANT AGREEMENT FROM UNITED STATES RELATING TO WALKER FIELD DEVELOPMENT

This Resolution supersedes the one passed at the June 2, 1971, City Council meeting.

The following Resolution was presented and read:

RESOLUTION

RESOLUTION AUTHORIZING THE ACCEPTANCE OF A GRANT AGREEMENT FROM THE UNITED STATES RELATING TO THE DEVELOPMENT OF THE WALKER FIELD AIRPORT

BE IT RESOLVED by the President and Council of the City of Grand Junction, Colorado:

Section 1. That the City of Grand Junction, Colorado, shall as Co-sponsor with the County of Mesa, Colorado, accept the Grant Agreement from the Federal Aviation Administration, dated 14 June 1971 for the purpose of obtaining Federal Aid in the development of the Walker Field Airport, and that such Grant Agreement shall be as set forth herein below.

Section 2. That the City of Grand Junction, Colorado, does hereby ratify and adopt all statements, representations, warranties, covenants, and agreements contained in the Project Application, which is incorporated by reference in the said Grant Agreement.

Section 3. That the President of the City Council is hereby authorized and directed to execute said Grant Agreement on behalf of the City of Grand Junction, Colorado, and the City Clerk is hereby authorized and directed to impress thereon the Official Seal of the City of Grand Junction, Colorado, and to attest said execution.

Section 4. That the Grant Agreement referred to hereinabove shall be as follows:

ADOPTED this 16th day of June 1971, for the City of Grand Junction, Colorado.

By s/ Stanley R. Anderson
Title: President of the City Council

ATTEST:

By s/ Neva B. Lockhart
Title: City Clerk
City of Grand Junction, Colo.

CERTIFICATE OF CITY CLERK

I, Neva B. Lockhart, the duly qualified and acting City Clerk of the City of Grand Junction, Colorado, do hereby certify that the foregoing Resolution was duly adopted at a (regular) meeting of the City Council of the City of Grand Junction, Colorado, held on the 16th day of June, 1971, and that said Resolution has been compared by me with the original thereof on file in my office and is a true copy of the whole of said original.

IN WITNESS WHEREOF, I have hereunto set my hand and the Seal of the City of Grand Junction, Colorado, this 16th day of June, 1971.

By s/ Neva B. Lockhart
Title: City Clerk

It was moved by Councilman Youngerman and seconded by Councilman Kozisek that the Resolution be passed and adopted as read. The roll was called with the following result:

Those voting AYE:

President of the Council	Stanley Anderson
Councilmen	Raymond Paruch Harry Colescott Lawrence Kozisek Richard Youngerman Silas Grantham

Those voting NAY: Theodore Naff

The majority of the Council having voted in favor of the motion, the President declared the motion carried and the Resolution duly passed and adopted.

CONTRACT WITH SCHMIDT CONSTRUCTION COMPANY APPROVED

The contract with Schmidt Construction Company for Stage 1 of the improvements at Walker Field was presented for approval.

It was moved by Councilman Youngerman and seconded by Councilman Kozisek that the contract with Schmidt Construction Company be approved and the President of the Council be authorized to sign the contract. Motion carried.

CONTRACT WITH CORN CONSTRUCTION COMPANY APPROVED

The contract with Corn Construction Company for Stage 2 of the improvements at Walker Field was presented for approval.

It was moved by Councilman Colescott and seconded by Councilman Paruch that the contract with Corn Construction Company be approved and the President of the Council be authorized to sign the contract. Motion carried.

DESIGNATION OF AIRPORT AUTHORITY AS CONTRACTING AGENT RELATIVE TO RUNWAY PROJECT - APPROVED

A letter to Mr. J. N. McClelland, Acting Chief, Denver Airports District Office of the Federal Aviation Administration, designating the Airport Authority as the contracting agent relative to the runway project at Walker Field was presented for approval.

It was moved by Councilman Youngerman and seconded by Councilman Kozisek for the approval of sending this letter and authorized the President of the Council to sign the letter. Motion carried.

COUNCILMAN PARUCH

Councilman Paruch commented that in view of the rock concert discussion, the citizens, the City Administration, and all others concerned were going to have to look for an equitable solution to the problem.

Councilman Youngerman suggested that when the committee is formed to study the sound level for Lincoln Park, some members of the rock group should be invited to work with the committee and help find a solution to the problem.

PLAQUE FOR GRAND JUNCTION, MICHIGAN

Councilman Youngerman said that while he was still the Mayor of the City of Grand Junction, Dale Hollingsworth handed him a letter from Grand Junction, Michigan, asking if the City of Grand Junction, Colorado had a plaque, card, or letter they could use for their centennial which starts on July 1 of this year.

Councilman Youngerman said that he turned the letter to Mr. Gray.

After some study and search, Mr. Gray found there is such a place with some 200 people in the town, and it is the home of the blueberries. City Manager Gray reported that Pheral Green, one of our City employees, did the wood work for the plaque. The emblem is from the door of one of the Police cars.

ADJOURNMENT

It was moved by Councilman Paruch and duly seconded that the meeting be adjourned.

/s/ Neva B. Lockhart
City Clerk
