MISCELLANEOUS DISCUSSION

Water Rates

Councilwoman Quimby commented that one of the antagonists of the water rate increases last spring has expressed appreciation for the action taken by the City Council. He has made considerable changes in his operation; thereby saving water. He hopes the rates will not be increased again but feels good has come from it.

Gravel Spills at Intersections

Councilman Holmes requested the City Manager to take whatever steps are necessary to control overloaded gravel trucks spilling in intersections and creating a hazard.

Intersection at 19th and Main

Councilman Tufly requested that the Engineering Department be requested to take a realistic look at the intersection of 19th and Main to see if something can be done.

ADJOURNMENT

It was moved by Councilman O'Dwyer and duly seconded that the meeting be adjourned. Motion carried.
