The following Resolution was presented and read:

RESOLUTION

OF DECISION ON APPLICATION FOR A FERMENTED MALT BEVERAGE LICENSE AND CONDITIONAL USE BY SALVATORE SASSANO AT 755 NORTH AVENUE, GRAND JUNCTION.

A public hearing having been held on December 6, 1978, on the application by Salvatore Sassano for a fermented malt beverage license for sales and consumption both on and off premises and conditional use for Sal's Pizza at 755 North Avenue, grand Junction, and the City Council having considered the evidence adduced at said hearing;

FINDS:

1. That the hearing was held on December 6, 1978, on the application after proper notice thereof under the Beer Code.
2. That the survey conducted by the City indicated that the needs of the neighborhood were not being met by other outlets within the neighborhood and there was a need for this outlet in that 200 persons so stated while 102 felt the needs were being met by the other outlets. In addition, the applicant submitted petitions bearing the signatures of 224 people supporting the issuance of the license.
3. That no one appeared at the hearing in opposition to the granting of the license and no petitions or letters of disapproval were received by the City Council.
4. That the character of the applicant, as determined through a check by the Police Department and through letters attesting to his good character, is good.
5. On the question of the conditional use of the property for a restaurant serving fermented malt beverages, such use was approved by the Grand Junction Planning Commission, by the planning staff and engineering department of the City, it being felt that the consolidation of restaurant facilities in the area probably lessened the difficulties previously existing.

6. The evidence supports the position that the needs of the neighborhood are not being met by other outlets of the same type and the position that the desires of the inhabitants of the neighborhood are that the license issue.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF GRAND JUNCTION:

That a fermented malt beverage license for sales and consumption both on and off premises issue to Salvatore Sassano doing business as Sal's Pizza at 755 North Avenue, Grand Junction, Colorado; and the conditional use of the premises for a fermented malt beverage license outlet is also approved.

PASSED and ADOPTED this 20 day of December, 1978.

HEARING - ADOPTION OF PROPOSED BUDGET FOR 1979 - RESOLUTION ADOPTING A BUDGET (INCLUDING SALARY SCHEDULE AND POSITION CLASSIFICATION) FOR DEFRAYING THE EXPENSES AND LIABILITIES FOR THE FISCAL YEAR ENDING DECEMBER 31, 1979 APPROVED

A hearing on the adoption of the proposed budget for 1979 was held after proper notice. No letters, no opponents.

Councilman Brown expressed concern about a major appropriation, that is \$900,000 for a new swimming pool, and the on again, off again architect's selection. Prior to approving that

appropriation, Councilman Brown wanted to know what is going on.

City Manager Wysocki responding that at the beginning of last year, the City hired C. E. Maguire to look over the existing pool. They made a recommendation to Council that if some money was put in the Lincoln Park pool that X number of dollars would be required to accomplish the task. Subsequent to that during the budget sessions, the Council said to go ahead and start looking toward the design of that project. The contract with C.E. Maguire is in two phases. The first phase indicated taking a look at the old pool and if it was determined that the City would entertain the idea of a new pool, the second phase of the contract with C. E. Maguire was to design that particular pool and its attendant facilities at a prescribed percentage.

Council members Brown and Kozisek stated they did not recall approving the contract.

Mr. Wysocki said that it was stated during the budget sessions to go ahead with the design so it could be started at the end of the 1979 summer season.

Councilman Brown stated that he did not believe that Council approved a contract with C. E. Maguire for a \$900,000 project.

Moved by Councilman Kozisek: That this Council direct the Staff that any consideration for a new pool be on the basis that interviews of architects or anyone wishing to design the pool be conducted and in the fairest manner possible and that the decision be made by Council and that notification to C. E. Maguire be made as far as the City Council is concerned they have no further contract with the City on the pool. Seconded by Councilman Brown.

Vote: Unanimous.

The following Resolution was presented and read:

RESOLUTION APPOINTING CHARLES R. COLE DEPUTY CITY ATTORNEY FOR MUNICIPAL COURT CASES

The following Resolution was presented and read:

RESOLUTION

APPOINTING A DEPUTY CITY ATTORNEY

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF GRAND JUNCTION:

That Charles R. Cole be appointed a Deputy City Attorney for the purpose of prosecuting within the Municipal Court until further order of the Council.

PASSED and ADOPTED this 20 day of December, 1978.

MEMORANDUM OF AGREEMENT - SEWER TREATMENT PLANT

The memorandum of agreement between the City and the County regarding the Sewer Treatment Plant was read. Councilman Brown felt this agreement should have been considered prior to the action of the previous motion authorizing the engineering contract for the interim work and the River Road interceptor sewer. He stated that this Sewer Treatment Plant Agreement does a great disservice to the people of the City of Grand Junction, specifically in that the City of Grand Junction is taking on the entire burden for the entire Valley and passing veto power on to the County Commissioners who for all practical purposes do nothing. If they want to get into the business, let them get into the business. The burdens have continued to fall upon the City of Grand Junction in a multitude of services and it is time that that burden was shared a little bit more equitably.

After discussion, moved by Councilman O'Dwyer: To table the memorandum of agreement until the next Council meeting. Seconded by Councilman Holmes.

Vote: AYES: QUIMBY, HOLMES, KOZISEK, DUNN, O'DWYER, BROWN  
NOES: JOHNSON.

ADJOURNMENT
