RESOLUTION OF FINDINGS AND DECISION RE: APPLICATION BY GRANBER, INC., FOR A HOTEL-RESTAURANT LIQUOR LICENSE AT G. B. GLADSTONE'S 2531 N. 12TH STREET - APPROVED

The following Resolution was read:

RESOLUTION

OF DECISION ON APPLICATION FOR HOTEL-RESTAURANT LIQUOR LICENSE BY GRANBER, INC. FOR G. B. GLADSTONES TO BE LOCATED AT 2531 NORTH 12TH STREET, GRAND JUNCTION, COLORADO, AND APPROVING A CONDITIONAL USE.

A public hearing having been held on November 18, 1981, on the application by Granber, Inc. for a hotel-restaurant liquor license for G. B. Gladstones at 2531 North 12th Street, Grand Junction, and the City Council having considered the evidence adduced at said hearing, FINDS:

1. That the hearing was held on November 18, 1981, on the application after proper notice thereof under the Liquor Code.
2. That the survey conducted by the City indicated that the needs of the neighborhood were not being met by other outlets within the neighborhood and there was a need for this outlet in that 316 persons so stated while 76 felt the needs were being met by the other outlets.
3. That no one appeared at the hearing in opposition to the granting of the license and no petitions or letters of disapproval were received by the City Council.
4. That the characters of the applicants are good as determined by checking down by the Police Department and by letters attesting to their good characters, the applicants being the officers of the corporation making the application.
5. The evidence supports the position that the license should issue both under the Liquor Code and the previous practice of the City Council.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF GRAND JUNCTION:

That a Hotel-Restaurant Liquor License issue to Granber, Inc. for G. B. Gladstones to be located at 2531 North 12th Street, Grand Junction, and a conditional use for that purpose be granted.

PASSED and ADOPTED this 2nd day of December, 1981.

President of the Council

City Clerk

Upon motion by Councilman Dunn, seconded by Councilwoman Clark and carried by roll call vote with Councilman HOLMES voting NO, the Resolution was passed and adopted as read.

HEARING - PROPOSED 1982 BUDGET AND REVENUE SHARING

A hearing was held after proper notice on the proposed 1982 budget and revenue sharing. Tim McGauley, 2444 Bookcliff, noted that the budget reflects that at the end of Main Street, the City is going to redo some underground tunnel. He pointed out that not only were the people in the west end of town concerned about drainage, but also with the accumulation of trash and the transients. He requested that the City Council keep in mind what the concerns of those people are. President Brach reported that he has been in contact with some of those people and he is setting up a meeting with the group next week as they are concerned about traffic and other items.

Mr. McGauley suggested that the City, maybe in cooperation with the County, tabulate in a form that is readable and understandable by the people, have it published by the news media, showing in a comprehensive manner how much income is actually coming in due to growth and due to increased tax revenues versus how much is actually going out. Mr. McGauley thinks the City is losing a lot of creditability because he hears over and over the complaint "there is no need to keep raising taxes, fees, and revenues because of this growth." Mr. McGauley said he does not know whether the statement is true or not but he does not know whether the statement is true or not but he does believe the people's concerns are legitimate.

The City Manager noted that the amount of revenue sharing monies being distributed throughout the budget next year is \$999,061. It is being distributed in the following manner:

Police Department \$34,550.

Fire Department 133,009.

Parks and Recreation 259,070.

Roads 170,489

Finance & General Government 4,568

General Public Buildings 397,375.

Councilman Holmes personally thanked Tim McGauley for his interest in and attendance at all the budget sessions.

There were no other comments, opponents, letters, or counterpetitions. The President closed the hearing.

HEARING - RESOLUTION ADOPTING THE DOWNTOWN DEVELOPMENT STRATEGY (THE DOWNTOWN ELEMENT OF THE CITY'S MASTER PLAN) AS RECOMMENDED BY THE PLANNING COMMISSION - APPROVED

Skip Grkovic, Executive Director of the Downtown Development Authority, briefly reviewed the Downtown Development Strategy Plan as an element of the Master Plan of the City of Grand Junction, Colorado. The Strategy Plan has been reviewed by the Planning Commission and recommended to the City Council subject to legal review. The legal review has been made. As a result of the legal review, there was one Section 49 which stated "The Downtown Development Authority would participate in the review and approve all development and construction in the downtown." The City Attorney advised that after discussion with Joe Skinner, the attorney for the DDA, it was determined to remove the "and approve" as the Council would be delegating authority to the DDA which it cannot delegate. There are two other sections, 50 and 51 in the plan which address downtown parking, and Mr. Ashby suggested to Council that it will need to be worked on at some subsequent time as he believes there are things in there that the Council is going to have to consider in relation to parking requirements in the balance of the City. Other than that, the City Attorney recommended the adoption of the following Resolution:

RESOLUTION

APPROVING THE DOWNTOWN DEVELOPMENT AUTHORITY STRATEGY PLAN AS AN ELEMENT OF THE MASTER PLAN OF THE CITY OF GRAND JUNCTION, COLORADO.

WHEREAS, it is the duty of the Planning Commission of Grand Junction, Colorado, to adopt a Master Plan pursuant to C.R.S. 1973, section 31-23-206, subject to approval by this Council; and

WHEREAS, the Planning Commission is allowed to adopt such a Master Plan in successive parts dealing with major geographical sections of the City, and it appears that the downtown area is such a geographical section; and

WHEREAS, on November 24, 1981, the Planning Commission, after a Public Hearing about which notice had been given by one publication in a newspaper of general circulation, endorsed to this Council for an inclusion as an element of the Master Plan, the Downtown Development Strategy Plan, as amended, subject to legal review of such Plan, and such endorsement was by unanimous action of the Planning Commission; and

WHEREAS, legal counsel for the Planning Commission has reviewed the amended Downtown Development Strategy Plan; and

WHEREAS, an attested copy of the Downtown Development Strategy Plan has been certified to this Council by the Planning Commission; and

WHEREAS, this Council has reviewed the Downtown Development Strategy Plan as endorsed by the Planning Commission; and

WHEREAS, the Council finds that the Downtown Development Strategy Plan is in conformity with the previous policies of this Council toward the downtown area;

THEREFORE, BE IT RESOLVED, that:

1. The Downtown Development Strategy Plan as amended is hereby approved as an element of the Master Plan for the City of Grand Junction, Colorado, and the Planning Commission is authorized to file such element of the Master Plan with the Mesa County Clerk and Recorder.

ORDINANCE NO. _____ - AUTHORIZING ISSUANCE OF INDUSTRIAL REVENUE BONDS TO MODERN MERCHANDISING, INC., FOR LABELLE STORE AT MESA MALL - FAILED TO PASS

Upon motion by Councilman Johnson, seconded by Councilman Dunn and carried with Councilman HOLMES voting NO, the Proof of Publication to the following entitled proposed ordinance was accepted for filing: AN ORDINANCE AUTHORIZING THE ISSUANCE OF \$3,500,000 INDUSTRIAL DEVELOPMENT REVENUE BONDS UNDER THE COUNTY AND MUNICIPALITY DEVELOPMENT REVENUE BOND ACT IN ORDER TO FINANCE A PROJECT ON BEHALF OF MODERN MERCHANDISING, INC., APPROVING CERTAIN DOCUMENTS RELATING THERETO, ESTABLISHING A MAXIMUM NET EFFECTIVE INTEREST RATE OF THE BONDS AND AWARDING THE SALE THEREOF.

Upon motion by Councilman Dunn, seconded by Councilman Johnson and carried with Councilman HOLMES voting NO, the proposed ordinance was called up for final passage and read.

There were no comments from the audience.

Councilman Lucero asked if a representative from LaBelle's was present. Since representatives were present two weeks ago and were not called upon, the City Attorney had advised them that their presence was not required at this meeting as Council was fully aware of what is to be determined.

It was moved by Councilman Johnson, seconded by Councilman Dunn, that the Ordinance be passed, adopted, numbered 2022, and ordered published.

Councilman Lucero noted the considerable delay by LaBelle's and the fact that the initial request was made prior to the IRB Committee being established, and since the IRB Committee had not been established it seemed the LaBelle store should have been

reviewed by the Committee with a recommendation to the Council.

The City Attorney thought the Council might have a misunderstanding about its role. He advised that the Council does not have at this time in regard to LaBelle a discretionary role; it is entirely ministerial. The Council some period of time ago induced LaBelle's by a Resolution telling them that it would issue the bonds or the securities that were required, if all other conditions were met, to enter into a search for financing and all of the other things that involved tremendous expenditures of money. He did not think the Council could turn down this particular application at this time without extreme risk of heavy financial loss to the City.

President Brach pointed out that LaBelle's was interviewed by the City Council before the City Council formed the IRB Committee.

Roll was called upon the motion with the following result:

COUNCIL MEMBERS VOTING NO: HOLMES, CLARK, LUCERO.

COUNCIL MEMBERS VOTING AYE: JOHNSON, DUNN, BRACH.

The President declared the motion lost and the Ordinance failed to pass.

In response to Councilman Johnson, the City Attorney stated that with this Council it requires four affirmative votes to pass the Ordinance. If the Council, knowing what it knows, determines not to pass it, that is its prerogative. He thought the City's liability would be the difference between market interest rate and what they could do under IRBs which would be several million dollars.

Councilman Dunn stated that the City did hear LaBelle's proposal and subsequently made a commitment and that it would behoove Council to follow through on its commitment. President Brach agreed that Council should hold to its bargain.

Councilman Lucero noted the newly elected Council members and questioned how it follows through with respect to previous Councils.

Mr. Ashby explained that previous Councils have an ability where the matter is discretionary to alter or to do anything it wants, but where the matter is strictly ministerial, and all the Council is doing is continuing a contractual obligation made with these people, Council does not have any discretion. He stated that in some instances, previous Councils can obligate subsequent Councils for more than a year.

ORDINANCE NO. 2022 - APPROPRIATIONS FOR 1982 AND FIXING THE SALARY OF THE CITY MANAGER

Upon motion by Councilman Dunn, seconded by Councilwoman Clark and carried, the Proof of Publication to the following entitled proposed ordinance was accepted for filing: AN ORDINANCE APPROPRIATING CERTAIN SUMS OF MONEY TO DEFRAY THE NECESSARY EXPENSES AND LIABILITIES OF THE CITY OF GRAND JUNCTION, COLORADO, FOR THE FISCAL YEAR BEGINNING JANUARY 1, 1982, AND ENDING DECEMBER 31, 1982, AND FIXING THE SALARY OF THE CITY MANAGER OF SAID CITY.

Upon motion by Councilman Lucero, seconded by Councilman Johnson and carried, the proposed ordinance was called up for final passage and read. The proposed ordinance was amended to reflect the salary of the City Manager.

Mrs. Maude Doolings, 1345 College Place, thought there should be some way that salaries are set and stable. She noted that people on fixed income do not get raises sufficient to pay the increases in utility bills, taxes, and other necessary items. Members of Council noted that the City Manager's salary is an average of other municipalities in Colorado of comparable size, and that Council feels it must pay fair-market value in order to retain its trained employees. Councilman Lucero publicly commended the City Manager as an outstanding manager.

Upon motion by Councilman Johnson, seconded by Councilman Dunn and carried by roll call vote with Councilman HOLMES voting NO, the Ordinance was passed, adopted, numbered 2022, and ordered published.

Mrs. Maude Dooling, 1345 College Place, asked why the rates were not brought out prior to the sales tax election. The President pointed out that the sales tax election was a County endeavor.

Upon motion by Councilman Johnson, seconded by Councilwoman Clark and carried by roll call vote with Councilman HOLMES voting NO, the Ordinance was passed, adopted, numbered 2026, and ordered

published.

ORDINANCE NO. 2027 - ESTABLISHING REGULATIONS WHICH MAY BE APPLIED TO LANDS AROUND AIRPORTS AND DEFINING CERTAIN TERMS IN CONNECTION THEREWITH

Upon motion by Councilman Dunn, seconded by Councilman Johnson and carried, the Proof of Publication to the following entitled proposed ordinance was accepted for filing: AN ORDINANCE ESTABLISHING REGULATIONS WHICH MAY BE APPLIED TO LANDS AROUND AIRPORTS AND DEFINING CERTAIN TERMS IN CONNECTION THEREWITH.

Upon motion by Councilman Dunn, seconded by Councilwoman Clark and carried, the proposed ordinance was called up for final passage and read as amended.

Roy Farber, 547 32 1/2 Road, Clifton, suggested that Exhibit A should be kicked back so the Council can read the document prior to adoption.

It was moved by Councilman Lucero that the Ordinance be approved and that due to the existence of the Walker field Airport Master Plan being cited in the body of the Ordinance that a review be made of the Master Plan for the approval of this Ordinance.

To clarity his motion, Councilman Lucero explained that he believes the Airport Master Plan should be approved in connection with the approval of this Ordinance.

Paul Bowers, Airport Manager, commented that the Master Plan referenced in the proposed ordinance was adopted by the County and the Airport Authority in 1975, and not by the City as it was not a part of the City. What is referenced is the size and shape of the Airport which would not change by review. An update to the Master Plan is being planned for next year.

The motion lost for lack of a second.

Upon motion by Councilwoman Clark, seconded by Councilman Johnson and carried by roll call vote with Councilman HOLMES voting NO, the Ordinance was passed and adopted as amended, numbered 2027, and ordered published.

The President declared a five-minute recess. Upon reconvening, six members of Council were present.

ORDINANCE NO. 2029 - AUTHORIZING ISSUANCE OF INDUSTRIAL REVENUE BONDS TO MODERN MERCHANDISING, INC. FOR LA BELLE STORE AT MESA MALL

The President of the Council recalled for consideration the

proposed ordinance entitled: AN ORDINANCE AUTHORIZING THE ISSUANCE OF \$3,500,000 INDUSTRIAL DEVELOPMENT REVENUE BONDS UNDER THE COUNTY AND MUNICIPALITY DEVELOPMENT REVENUE BOND ACT IN ORDER TO FINANCE A PROJECT ON BEHALF OF MODERN MERCHANDISING, INC.; APPROVING CERTAIN DOCUMENTS RELATING THERETO, ESTABLISHING A MAXIMUM NET EFFECTIVE INTEREST RATE OF THE BONDS AND AWARDING THE SALE THEREOF. The President stated that in January of 1980, the City Council entered into an Inducement Resolution with these people promising to do business with them, and he did not feel the City Council could renege on its contract particularly when Council could be faced with the liability effective tomorrow.

Councilman Holmes indicated that he was willing to adjust his vote as he was a member of the Council who voted for the Inducement Resolution back in January of 1980, although his track record and attitude had changed since that time.

After full discussion and upon motion by Councilman Dunn, seconded by Councilman Holmes and carried by unanimous roll call vote, the Ordinance was passed, adopted, numbered 2029, and ordered published.
