Honorable Jim Doody, Mayor  
City of Grand Junction  
250 N. 5<sup>th</sup> St.  
Grand Junction, CO 81501

Dear Mayor Doody,

I am the administrator of the new Colorado West Mental Health Psychiatric Hospital located on 28 <sup>3</sup>/<sub>4</sub> Road. We opened the doors to provide psychiatric and substance abuse services on December 2, 2005, recently completing 9 months of operation. During that time, we have had over 200 patients brought to us by the Grand Junction Police Department, resulting in well over 400 admissions (multiple admissions by some patients, particularly Detox patients).

I am requesting a workshop meeting with City Council in order to provide an update to council members on our facility and programs. There are currently six stakeholders in this project that include Colorado West Mental Health, St. Mary's Hospital, Mesa County Government, Hilltop Community Resources, Midwestern Mental Health and Montrose Memorial Hospital. I would like to invite representatives from the stakeholders to attend the workshop and present their perspective on what our facility has meant to them and the community.

Colorado West Mental Health would be pleased to host a workshop so Council members can tour the facility and see the operation up-close.

Please contact me at the above address or call me at 683-7007 to discuss this request.

Sincerely,

Bob Oleskevich  
Administrator
