Not Present: Greg Walcher, Steve Schulte, Barbara Creasman and Ed Chamberlin

Also Present: Kristen Ashbeck, Community Development Department

The meeting was called to order at 4:30 pm at the C.D. Smith Building.

MINUTES: Pat Gormley made a motion to approve the minutes of the June 2, 1997 meetings. The motion passed unanimously on a second by Phil Born.

1998-1999 CITY BUDGET: The Board reviewed a draft budget Kristen had prepared for the upcoming 1998-1999 City budget. It was suggested that the budget reflect an amount to televise the video since it is not know whether a station would charge for the showing or not. The Board also agreed that, since the total is approaching it, the proposed budget should be rounded to at least \$5,000 and show the standard increase the City uses from year to year. Kristen will keep the Board informed as the budget process continues through the coming months.

FUTURE PROJECTS: David Bailey stated that he has recently been in contact with Suzi Radosevich who lives on North 1st Street. The neighborhood would like to pusue local designation of a historic district, including the street itself. Kristen will contact Suzi and provide her information on the designation process and assist with collecting information and creating a potential district map and petitions to distribute to property owners.

The Board deferred any discussion on other future projects until there are more members present.

The meeting was adjourned at 5:10 pm.
