Auditorium - City Hall

Members Present: Mrs. Grace Smith, Chairman, Mrs. Barbara Hyde,

Others Present: Don Warner

I. MINUTES APPROVED

The minutes of the Quarterly Zoning Hearing of August 4, 1965 were approved as mailed.

II. REQUEST BY BOARD OF ADJUSTMENT AND APPEALS TO INCREASE MEMBERSHIP TO SEVEN

Mr. Warner told the Commission that the request by the Board was justified because of the difficulty in obtaining a quorum of four and because of the necessity in having a quorum present when there is an issue of a controversial nature. The Commission recommended that the proposed membership increase be advertised for hearing.

III. CONSIDERATION OF THE REVISED CAPITAL IMPROVEMENTS PROGRAM, 1966

Mr. Lacy met with the Commission to go over the proposed Capital Improvements Program. Sections of the Program were discussed. It was recommended that the members take their copies home for study.

Mr. Baker moved that consideration of the Revised Capital Improvement Program, 1966 be tabled and placed on the agenda for the September meeting to allow for further study of the Program. Mrs. Hyde seconded. Motion carried.

IV. ELECTION OF OFFICERS

Mr. Golden moved that the present officers--Mrs. Grace Smith, chairman, and Mrs. Barbara Hyde, vice-chairman--be renominated. Mrs. Hyde seconded. Motion carried.

V. ADJOURNMENT

There being no further business to come before the Board, the meeting adjourned.
