

JOINT MEETING OF PLANNING COMMISSIONS

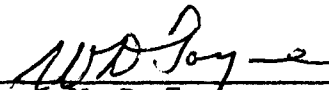

Tuesday, April 5th, 1955 at 7:30 P. M.

Representatives of the City Planning Commission, County Planning Commission, School District #51, and the County Commissioners met in the County Commissioners' office to confer with Mr. Trafford Bean of Boulder relative to possible employment of his firm on planning problems. ✓

Mr. Bean explained various phases of planning and the services that he would expect to furnish.

A committee of members of the four groups was selected to further confer with Mr. Bean the following morning at 8:00 A. M. in the City Manager's office. At this conference, many of the immediate problems of the area were explained to Mr. Bean.

Mr. Bean agreed that in connection with his employment he would mail tentative contracts to the group and would return on or about April 15th, bringing with him the person he would use as resident engineer on the project, if he were employed.
