In the absence of the Chairman, Vice-Chairman McMullin called the meeting to order.

This meeting was called so that the Commission might take action upon the petition of Mr. W. R. Hall for the vacation of a portion of roadway on 6th Street between North Avenue and Glenwood Avenue.

The following motion was made by Mr. Claud Smith: Provided the petition brought in out-lines the vacating of 5 feet on each side of 6th Street from North Avenue to Glenwood Avenue according to the provisions that have been suggested and is satisfactory to the City Engineer's Office, the City Planning Commission recommends to the City Council that they approve the vacation of the property in question.

Motion was seconded by Mr. Hopper, and carried.

Motion to adjourn was then made by Mr. Smith, seconded by Mr. Zollner, and carried.
