

BOARD OF ADJUSTMENT AND APPEALS

Tuesday - March 26, 1968 - 8:00 A. M.

CONFERENCE ROOM - CITY HALL

Members Present: Warren Turner, Chairman, Rudolph Susman,
E. H. Settle, Cecil Hobbs and John Frazier.

Others Present: Joe Chamberlain and Ed Wyllie.

I. REQUEST FOR CEILING HEIGHT VARIANCE

The board discussed the request for the ceiling height variance. It was pointed out that the use of the basement room would be used for a file room, and perhaps it will be used for a coffee room for the upstairs offices at a later time.

A motion was made by Mr. Hobbs that the ceiling height variance be approved based on the fact that this area would not be used by the public....but by the occupants of the building only. Mr. Susman seconded, and the motion carried.

II. MINUTES: February 26, 1968 meeting.

The minutes of the February 26th meeting were read by Mr. Turner. Hearing no objections nor corrections, the minutes were approved as read.

III. ADJOURNMENT

There being no further business to come before the Board, the meeting was adjourned.

Don Warner
Development Director
