Board members present were: Paul Heidel, Ed Lamm, and Clyde Lowe, County Commissioners; Ed McCormack and Ray Meacham, City Councilmen; Gus Byrom, Airport Manager; Dave Palo, County Attorney; and W. J. Anderies, Secretary. Dave Burr and Dick Rusk were present from Frontier Airlines, and Ed Kelley from United Airlines.

Mr. Kelley mentioned that in the future United might want to put in a station manager.

Gus Byrom requested that the airlines give their requirements on runway lengths in the very near future.

Ray Meacham presented information on "A Proposed Parking Lot Program." If needed for reference, this report will be filed with the minutes.

Gus Byrom requested permission to transfer from the Airport Fund to the County Road and Bridge Fund an amount which covered the county's billing to the airport for monies received from the State Highway Department on the Interstate 70 acquisition. This transfer was requested since the county just recently completed a new drag strip and a portion of such monies was applicable to the drag strip. Ray Meacham moved and Ed McCormack seconded that these funds be transferred.
