Summary (crime scenes activity, court appearances, complex cases, use of resources, problems or unusual events):

Forensic Investigators are being called out to photograph vehicle crashes. Forensic Investigators stopped photographing crashes when the department started the Traffic Division years ago. All civilian F.I.'s will need to be issued reflective Traffic Vests that will need to be purchased. A light meter will also need to be purchased as crime scenes are not normally photographed with existing light, but crashes are.

Becky Keifer, formerly in Records, started as an Evidence Technician for a vacancy created when Cara Pellowski took a PST job.
