Property Trade – Nothing to report.

Outreach/Public Awareness – Judy updated on bike festival. She needs two more people from 10am to 12noon and then again at 2pm. Janet and Kent volunteered.

No Thoroughfare Wash – Kent has spoken with Bill Taylor who suggested a letter to Pete Baier. Bill felt time line might be in the fall. He wants to survey with his crew for gradient. Talked to Shawn about bridge, still need to figure out how to connect. If do pylons in flood plan, Corps doesn't have a problem. US Fish said if Corps doesn't have problem, then they don't. Dusty suggested Kent contact Dennis DeVore regarding CDOT needs. Dusty has a contact in State and got copies of paperwork regarding transportation. She added there is a new CDOT Regional Manager, Ed Fink. Perhaps have him meet out at the site and show him before insiders turn the project off.

Robert discussed new members and deadlines. Know anyone interested need to have apply ASAP.

Kent said Park Service Draft Plan is out. He has it on CD. Dusty said bicycling is a historic use and commented that back to them.

Public Comment

Jody updated on striping on Orchard Avenue (13th to 28 on Orchard). 89 homes, 25 said yes, 13 said no, and others didn't bother to respond. Robert asked if any bike lanes south of Orchard. Jody said it's signed as bike route. Group thinks it's probably not worth pursuing.

Jody suggested inviting Tim Moore to next meeting regarding impact fee for transportation.

There was no further public comment.
