

CITY OF GRAND JUNCTION, COLORADO

ORDINANCE NO. 4665

AN ORDINANCE AMENDING SECTION 21.03.080, INDUSTRIAL DISTRICTS (TITLE 21 OF THE GRAND JUNCTION MUNICIPAL CODE), REGARDING LOCATION OF LOADING DOCKS

Recitals:

This ordinance amends the Zoning and Development Code (Title 21 of the Grand Junction Municipal Code), to remove a restriction on the location of loading docks within industrial zone districts.

The City Council desires to maintain effective development regulations that implement the vision and goals of the Comprehensive Plan while being flexible and responsive to the community's desires and market conditions.

The City Council has also recently developed an Economic Development Plan and desires that development regulations be reviewed and amended where necessary and possible to facilitate economic development.

The amendments enhance the effectiveness of the Code and its responsiveness to changing business practices and community expectations and implement the Economic Development Plan by removing unnecessary barriers to development and business and streamlining development review processes.

After public notice and a public hearing as required by the Charter and Ordinances of the City, the Grand Junction Planning Commission recommended adoption of the proposed amendment, finding the proposed amendments consistent with the vision, goals and policies of the Comprehensive Plan.

Following public notice and a public hearing as required by applicable law, the Grand Junction City Council finds and determines that the proposed amendments implement the vision, goals and policies of the Comprehensive Plan, and that they are in the best interest of the community and its citizens, and should be adopted.
