Old Business – Master Plan Update – Joe asked what status was. Everything is ready to go. Tim to email Dave Thornton and set up meeting.

5 Step Plan:

Tim talked about conversation with Bill Prakken regarding plans and attending the RFF meeting. Bill seemed positive about project. Tim will talk with Brian Mahoney and Pat Kennedy.

Tim had questions for Mark regarding GVIC meeting and who said what.

Joe said he/Mark/Shawn went out and walked trail. Right side looked best. Shawn thought if built a bridge thinks Canal Company may give in. One bridge - \$100,000 and one lesser bridge at G Road. Pitch to GVIC would be to place bridge over further from canal that they can use if they need in exchange for use of triangular piece.

Tim asked Michele about 20 item list that Robert worked on. She will have to dig through files to find.

Bill felt City should “pony up” some money to show buy in.

Joe asked about City Planning being at next meeting. Michele said yes planning will be at the meeting.

Will continue with more action steps at next meeting.

There was no further old business.

New Business – Mark apologized from being late. His bookkeeper comes in at 5:30pm on Tuesday nights so he will usually be late.

There was no further new business.

Community Reports – Denise was at Bike Festival and handed out lots of packets, t-shirts, kites and airplanes from past LiveWell events.
