TO: Grand Junction Police Department Police Pension Board

FROM: Captain Carl A. Davis

SUBJECT: Resignation from Pension Board and my retirement.

I have requested to be retired on pension, effective 27 April 1974. My last day of work will be 26 April 1974. I have completed over thirty-two years of service with the Grand Junction Police Department, more than seven years over the twenty-five required for retirement.

I have asked the Department to select another member to take my place on the Pension Board. Please accept this as my resignation from the Board.

I am sure the new member, whomever it is, will work with and enjoy working with the rest of the members.

Thank you,
