architectural description: One-story, new stucco, commercial building with display windows with tile kickplates and recessed entry. The tile is extended about three quarters up the right side of the front of the building. Stucco is around a wood and glass doorway. A recessed window is at the upper level with a decorative arch and roof has large skylight. There is a glass display case on either side of the entrance with copper tops. A mauve, canvas awning is located across the front of the building. The rear of the building is painted cinder block.
